The month of July is devoted to the Precious Blood of Jesus. Talking about this with your children is a simple way to have your family live out the liturgical year at home. “Make your house – your family – another Nazareth where love, peace, joy, and unity reign, for love begins at home!” – St. Teresa of Calcutta

Bishop Brennan to celebrate Bi-monthly Mass of Healing on Monday, July 22, 6:30pm, Saint Joseph Cathedral: The Feast of Saint Mary Magdalene will be celebrated. Following the Mass, a Healing Service will begin with Exposition of the Blessed Sacrament and Veneration of relics of the True Cross. Each person then will then have an opportunity to speak individually with one of several priests present to discuss their particular situation and receive a prayer of healing; the Sacrament of Anointing of the Sick will also be available. The Healing Service will conclude with Benediction. All persons who seek Christ’s healing are invited – especially those who suffer with addictions, mental health issues, physical illness and infirmities (e.g. cancer and other debilitating diseases and conditions), in addition to those who seek emotional and spiritual healing. All caregivers, family members, and members of the medical community are invited as well. Bi-monthly Healing Masses take place at the Cathedral on the third Monday of the month; this July 22 Mass is an exception given the Bishop’s schedule. In 2019 Bi-Monthly Healing Masses will also be celebrated on September 16, and November 18. Secured parking is available off East Gay Street; handicap elevator access to the Cathedral is located off the Broad Street Courtyard. Saint Joseph Cathedral is located at 212 East Broad Street; for more information call (614) 224-1295 or visit www.saintjosephcathedral.org.

Among those who get measles: 1 in 4 will be hospitalized, 1 in 1,000 will have brain swelling, 1-2 in 1,000 will die. The MMR shot can prevent measles! Everyone in your family needs the shot. To make an appointment at the Community Health Center in either Danville or Mt., Vernon call 740-399-8008. The Health Department visits The Sanctuary in Danville the second Thursday of the month from 3 to 5pm. If you had the measles or if you received 2 MMR in 2014 you do not need a shot.

Catechism of the Catholic Church 162: Faith is an entirely free gift that God makes to man. We can lose this priceless gift, as St. Paul indicated to St. Timothy: "Wage the good warfare, holding faith and a good conscience. By rejecting conscience, certain persons have made shipwreck of their faith." To live, grow, and persevere in the faith until the end we must nourish it with the word of God; we must beg the Lord to increase our faith; it must be "working through charity," abounding in hope, and rooted in the faith of the Church.
