Good morning St. Germaine families,

It was so, so nice to see all of you and your children this morning, it gave me a small sense of “normal” back! So far so good, as of right now we made it through arrival procedures and everyone is in their rightful place!

If you haven’t seen our “Welcome Back Video” yet, including your sneak peek at the inside of the building and classrooms, you may use this link: <https://youtu.be/qfNJcaGb9Vs>, it is also posted on our school website

Today kicks off our annual Morley/Cherrydale fundraiser. This morning your children will be viewing the following video <https://youtu.be/Mu12mLwOzG8>, please do anything you can to support our fundraising efforts. I will be forwarding an email written by Cherrydale to you later with helpful hints on setting up online sales etc.

Please follow the arrival and dismissal procedures for your child’s grade level indicating what time and which door each student should enter the school in the morning as well as where and what time they will be dismissed, this will help us keep order.

Reminder: Grades 1 – 8 are planning on a “Make – Up Fun Day” on Wednesday afternoon, all students in grades 1 – 8 should wear their gym uniforms Wednesday, September 2.

Anyone (K – 7) in need of gym uniforms may contact the office so we can arrange for purchase and pick up.

Congratulations to all of our online auction winners! Once we have all items on site, winners will be contacted to arrange for purchase and pickup.

We still have space for more students in grades 2, 3, 4, 5, and 6. If you know anyone looking for in-person instruction please tell them to contact us!

Another reminder: All full day students need to pack a lunch with a drink and a morning snack (if desired) on every full day of school.

And another reminder: We do not have school Thursday, September 3 – Monday, September 7 for Labor Day weekend—enjoy it!

It’s great to be back! We will maintain our focus on your children, keeping them safe, happy and properly educated. Please do your part in assisting us with daily monitoring of any symptoms of illness, keeping them home when necessary and supporting them in their learning. Thank you!

Summer peace and blessings!
