What's new

We had our first fire drill. I know that the noise can be loud and frightening, but please take a moment to discuss the importance of not covering your ears so that they can hear important instructions should this be an actual emergency. Also letting them know that the noise is loud so that all can hear it in the building.

We have picture day Monday, therefore your student can wear what you would like for pictures. Please make sure that it is nothing offensive and that you are adhering to the guidelines when it comes to the length of dresses and shorts.

Priesthood Sunday is this Sunday. We are thankful to Father Jim and all he does for us and our school.
