

PRE-KINDERGARTEN (VPK)

WHAT IS VPK?

Florida's Voluntary Prekindergarten Education Program or VPK is a free educational program that prepares 4-year-olds for kindergarten and beyond. Children must live in Florida and be 4 on or before September 1 of the school year they enroll. To learn more and apply for a certificate of eligibility visit <https://familyservices.floridaearlylearning.com/>.

VPK AT ST. PAULS

Early childhood is a time to encourage a love of learning and school with engaging instruction that allows children to develop their creativity and natural curiosity. Our state certified teachers are experts in early childhood development. The activities they provide allow students to explore concepts in early literacy, mathematics, science, and social studies while increasing fine motor, social and emotional capabilities.

EXTENDED DAY PROGRAM

Extended care is available to our students before and after VPK classes from 7am until 6pm. Students enrolled in our Extended Day Program have the opportunity to participate in daily enrichment classes. These classes are taught in small groups and include Art, Cooking, Music & Movement and STEAM- A multidisciplinary approach to student exploration that includes Science, Technology, Engineering, Art and Math. Click [here](#) to see fees associated with optional extended care for VPK students.
