

St. Paul's Catholic School Summer Reading
6th Grade

All students entering the sixth grade must read one book from the top category and one grade-appropriate biography of their choice (more than 100 pages and not an abridged picture book). I have included biography/memoir recommendations, but students are not limited to this list.

Students are encouraged to take notes on their books over the summer, as they will be permitted to use them on summer reading assessments/projects during the first full week of school.
