This is a reflection paper – complete paragraphs and sentences

Describe the event you attended in detail. Write *in detail* (at least a 5 sentence paragraph) about one thing you really had an impact on you or inspired you in your faith journey? (if you have more than one please share)

Did this event affect the way you view the teachings of the Catholic Church or your participation at Mass or other Church events, (youth group, etc)?

Please detail Why or why not?

(***For those attending Youth Group you must write out in a complete paragraph about the teaching of the evening. If it is on a saint then you must write down the complete name of the saint and what inspired you about their story, if you can't remember this will not count as completed, so writing reflections shortly after the Youth meeting will help.)

Would you attend an event like this again in the future?

Why or Why not (in detail)?
