

## Letter requesting Confirmation

Letter should reflect on the Confirmation preparation this year, so we ask your Letter be written after Nov. 22-23<sup>th</sup> retreat.

*DUE January 22, 2020*

### **Each student will write a Letter to their Parish Priest.**

This letter should:

- Name at least three things that helped prepare you for confirmation this year. It can be anything from a classroom teaching or dialogue, a saint, something from DTS, a talk or activity at the Confirmation retreat. You can share an inspiration from the service hours worked, or the experience of writing homily notes and doing the reflections or other retreats.
- Explain why you want to be confirmed, be honest.
- Contemplate and share about what might happen after confirmation, what God is calling you to do and remember Christ is counting on you!

**Pray about this before writing the letter and put some serious thought into it.** Father will be using your letter as part of your interview with him in January.

Your Letter should be in a sealed envelope marked "Request for Confirmation" and placed in the front pocket of your folder. Folders are to be handed in to your Catechist **NO LATER than Jan. 22<sup>nd</sup>.** This allows time for your Pastor to read the letters before your interview in January.

## **Confirmation Interviews**

We will do our best to have all Confirmation interviews conducted during class time during the month of January, we may need to schedule some outside of class time but we will provide information if that time is needed.

**Your completed folder and letter must be turned in by Wednesday, January 22<sup>nd</sup>.** **Please plan ahead** when completing your folders, completion of folders also gives a glimpse of your preparedness for the sacrament. Father needs these folders to prepare – so this deadline is FIRM!

Interview questions will be from:

- Your Letter of request for Confirmation
- Your completed journal
- Faith Enrichment events
- Your test sheets and scores
