**New Keyboard:** The keyboard at St. Joseph Church has been here for many years. Some of the pedals and keys have been getting stuck and it seemed like we needed a new one. Since those who play the keyboard for us every week do so on a voluntary bases the least we could do for them is to have a working instrument for them to use. We are so appreciative of the anonymous donor who paid for the keyboard. May God bless you!

**Get Fired Up !** Recently the Archbishop of Philadelphia said he looks forward to showing the pope an active Catholic Church in the United States. He stated that, “people who have been disappointed in the church are looking to have hope. I’m hoping that the visit of the Holy Father here will be the **beginning of a new evangelical energy** in the church.” This is what we need in Grayson and Edmonson Counties. We need Catholics to take their faith so seriously that they want others to experience it as well. Who do you want to invite to come to know Christ in our parish?

**Every Catholic is Called to Evangelize:**

Jesus wants every one of us to be his recruiters. Evangelization is all recruiting others for Christ. It is helping people discover the love of God and the wisdom of his ways; helping people live their best possible life and become the-best-version-of-themselves; helping people discover the best way to live. We want these things for everyone we love. Evangelization is the ultimate form of love of neighbor.
