

Sts. Peter and Paul Church

March 31, 2020

Dear Parents and Guardian,

We pray that you and your family are well and safe during this coronavirus global pandemic. With the state wide "Stay at Home" order by Governor Ige, and the closure of our Catholic churches by Bishop Larry Silva our social contact is limited.

During this time, our kupuna are the most vulnerable and we want to protect them the best way we can. To bridge the social distancing and isolation for our kupuna , we are initiating a *Kupuna and You* project at Sts. Peter and Paul Church. In putting our faith in action, this intergeneration project brings our seniors and young together to form enjoyable and meaningful relationships.

We invite your family and children to join us in connecting with our kupuna in these following ways.

- .drawings with a short description of the picture attached
- .sharing a happy story
- .videoing a happy event
- .singing a song or sharing a poem
- .other ideas you may want to share that will bring a smile to our kupuna

Please capture your project electronically and send it to our email at sspeterandpaul@rcchawaii.org.

By sending us your creation, you give your permission that it can be shared with our kupuna via our website at www.sspeterpaul@hawaii.org.

If I can assist you with any questions regarding our *Kupuna and You* project, please call Yvonne Toma at (808) 497-7591.

Living our faith touches all, especially our kupuna during these challenging times.

Yours In Christ,
Anna Flores
