

## Prayer Blanket No-Sew Fleece Instructions

### Supplies:

1 yard of fleece (36" x 50")

Scissors

Ruler

Step 1: Lay fleece out flat. Mark 4" in all the way around the blanket. At each corner, you will cut out a 4" square.

Step 2: Cut 1" strips up to the 4" marking. Fringe should be 1" wide x 4" long.

Step 3: At the top of each piece of fringe, cut a 1" slit. Pull fringe piece through the slit to form a "V". Continue with this process all the way around the blanket. There is no need to tie knots!

### Prayer for Blessing:

"Lord, please bless this blanket and bless the person that will be receiving it. Let them feel the warmth of this blanket and know that we made it with love. Help us to keep them in our prayers."

Blankets will also be blessed by our priest.

Thank you for helping us keep our supply of Prayer Blankets going strong!!
