

Middle School and High School Religious Education

Welcome back! As we approach the new school year, I would like to call to mind the importance of providing your teens with the gift of faith, both at church and especially at home. A recent Pew Research study found that 50% of young adults leave the Catholic faith by age 30 and that those who remain practicing Catholics do so because they received strong formation in the faith, not just from religious education programs or regular Mass attendance, but primarily from the example given by their faith-filled parents. For this reason, I strongly encourage parents to continue deepening their own faith, and I hope you will take advantage of the resources we provide for you at St. Michael the Archangel Parish, such as our Sunday morning Marriage Enrichment program, and FORMED.org, which provides countless resources to enliven the Catholic faith in your home. May God bring you many blessings throughout the upcoming school year!

Understanding the true meaning of marriage is one thing, living it out is another. “Beloved: Living Marriage” is a new series which examines the day-to-day challenges of being united as husband and wife, while maintaining individuality.

This series shows how to put faith at the center of your marriage. Learning to effectively communicate, turning conflict into understanding, avoiding the pitfalls that wreck relationships, and understanding sex in the context of authentic love are among the topics presented for helping relationships to thrive.

All adults are welcome to attend these sessions on the **first Sunday** of each month in October through March. The group meets at **9:00 AM** in the Parish Office basement.
