Dear CCW Member:

Did you know every woman 18 years and older are automatically members of the Council of Catholic Women (CCW)?

We wanted to send an invitation to all women of the parish to welcome them to an upcoming CCW meeting, but with the current situation we are not going to be doing that at this time. But, as soon as we can, watch for that personal invitation!

We have some great activities planned when we can all get together again (i.e. parish picnic, parish cookbook, activities for families, etc....). When we can meet again, we sincerely hope that you will consider joining us. Our parish depends on the CCW for many things, and we can only be as strong as our members and membership. The continuation of the CCW and our planned activities rely heavily on our membership and participation of our members. We want to provide for others, and we hope you do too.

We would like to see all ladies of the parish participate in the CCW, but we are especially seeking younger women. If you have a desire to help with the parish, please reach out to one of our Presidents if you have any questions about the CCW. Please return the attached questionnaire by 10/01/2020. Please take a few minutes to complete the questionnaire and return it. You can return the survey one of three ways. Please see the bottom of the survey (2 pages) *How Can I Return My Survey*. Remember the strength and continuation of our CCW depends on your participation. Regardless how much or how little you participate all participation is important, but please participate.

With God's Blessings,

Angie Sailing
