Annunciation Student Handbook
Last Updated: 8/22/2018
Dear Parents,

In an effort to reduce costs and paper consumption, the Student Handbook should be read on the school website at www.annunciationbvm.org. If you do not have access to the internet, please call the school office and we will provide a hardcopy for you. The purpose of the handbook is to make you aware of the mission statement, philosophy, policies, and procedures of the school. You will notice some changes in the handbook this year, so I ask you and your child(ren) to please review this handbook thoroughly. Some of the changes are in the Uniform/Dress Code and Cell phone section of the Handbook.

The policies are based on those from the Diocese of Rockford and the Education Commission of our school. The purpose of these policies is to provide safety and efficiency in the management of our school. Your support helps the school in providing your children with the spiritual and academic formation they need for their future.

As in the past, there may be times in the course of the school year when it becomes necessary to make handbook additions and/or revisions. Should this happen you will be informed promptly through the school newsletter. If at any time you have questions regarding the handbook, please feel free to give me a call.

After carefully reviewing the handbook on-line, please complete and sign the “Annunciation School Handbook Signature Page” and other required forms located in your packet or at the end of the online handbook. Please return these forms by Friday, August 25. Thank you for your cooperation.

Sincerely,

Mrs. Jennifer Wardynski
Principal
Mission Statement

The mission of our school is to motivate the children to follow God in their daily living and to educate them in the beliefs of the Catholic Church. We believe that all of our students have talents, given to them by God to help spread His word. God is the reason for our existence, and through His example our students strive to imitate Christ in every word, action and deed as responsible members of society.

Philosophy

We believe that Annunciation BVM Catholic Elementary School of the Rockford Diocese, is centered in God. We believe that every student at Annunciation is a unique and special child and we value their diversity. Along with parents, who are the primary catechists of their children, religious truths and values are demonstrated by the presence of pastor, principal, teachers and volunteers who give daily examples of their love of God and others. In this atmosphere of love and academia, our children learn to trust in Christ’s teachings, act on His principles, and lead by His example.

Therefore, the Goals of our school are as follows:

- To develop a sense of the presence of God as well as a personal commitment to strong values and morals.
- To provide opportunities to participate in liturgies.
- To encourage a sense of respect to self, family and community.
- To instill a motivation and love of learning and respect for high academic achievement.
- To encourage pride and unity within our school.
- To develop appreciation of cultural diversity.
- To encourage compassion through service to parish, school and our local and world communities.

Religious Formation

The following are the statements of religious formation:

1. Religion and values are a very important part of our school. Christianity and Catholicism are modeled and taught to our children by their parents, peers and teachers.
2. All school masses are celebrated on Wednesday at 8:45 a.m.
3. Each child is expected to attend mass one additional day each week at 8:00 a.m. with his/her class. Grades 2, 4, 6, 8 attend 8:00 a.m. Mass on Tuesday. Grades 1, 3, 5, 7 attend 8:00 a.m. Mass on Thursday. Each grade level takes turns preparing the Masses.
4. Formal religion classes and prayers are part of the daily schedule.
5. The Sacraments of Reconciliation and Eucharist are received in the second grade.
6. The Sacrament of Confirmation is received in the eighth grade.

Absences

The following are the attendance, absentee, and excuse policies for Annunciation School:

A. Parents must call the school office before 8:30 to report a child’s absence. This call serves to discourage truancy and to protect your child from possible harm. If parents do not call the school, the school will call the parents at home or work.
B. It is imperative that the school office has an up-to-date emergency form. We must know whom to contact if we are unable to reach the child’s parents. Please contact the office during the school year if any changes occur.
C. Requests for dismissal for doctor or dental appointments should be made by the parents in writing, a day prior to the appointment. The note should indicate who will be meeting the child at school. The child should bring the note to the homeroom teacher. These are recorded as excused absences.
D. Children may be released from school early, however, only by personal or written requests of the parents or guardian. Please keep these requests to a minimum.
E. Authentic identification must be supplied by the parent or guardian if pupils are to leave school with strangers.
F. No pupil will be sent home, for any reason whatsoever, unless the parents have been notified.
G. At the discretion of the principal, in the event of severe weather, dismissal from school may be delayed until it is safe for the children to proceed to their homes or until the arrival of parents providing transportation.

H. **Unexcused absences/Vacations:** Unexcused absences such as vacations and non-school sponsored extracurricular activities, during the school year are strongly discouraged. If a student will miss school because of a family vacation, wedding, etc. the teacher and principal must be notified in advance. No work will be given in advance, but absent students may work with classmates to obtain the assignments given while he/she is out of the classroom. The student will have 48 hours (unless the student is absent for only 1 or 2 days, in which case he/she will have 24 hours) to complete all missing assignments, quizzes, tests, etc.

I. It is the responsibility of the child to make up the work that was missed in case of any absence. In case of illness, the child will be given the number of days absent to make up missed assignments.

J. Children will not be excused from school to attend sibling’s classroom activities.

K. The time before school is precious to us for planning purposes and tutoring. We ask that you respect arrival and departure times. If you are not using the extended day care program, students should not be on the school premises before 8:15 a.m. and after 3:05 p.m. Teachers will make arrangements to visit with individual students outside of school hours if that is deemed necessary.

L. **When a child is diagnosed with strep throat, is running a fever, or has vomited, most doctors recommend keeping the child home for 24 hours. Please adhere to that recommendation in the interests of the other children and staff.**

M. If a student is absent (not including funerals or doctor appointments) the day of a school sponsored evening event, the student may not attend the evening event. This includes but is not limited to: athletic games and practices, scout meetings and events, band, drama, variety show, etc.

**ALLERGIES**

**Life Threatening Allergies/Parent Responsibilities**

The school has a policy to work with parents of children with life threatening allergies. If your child has a life threatening allergy, contact the principal to make the necessary accommodations as determined by your child’s doctor. The parent of a child with a severe allergy must provide the school with an Emergency Action Plan signed by the child’s doctor. The parents will also provide at least two sets of EpiPens (one for each building). Students will be excluded from school until an Action Plan signed by the child’s doctor and two EpiPens are provided to the school. Additional EpiPens may be provided at the parents’ discretion. If a severe allergy is identified in a class, the school reserves the right to be more restrictive on allowed foods and treats.

**School Responsibilities**

Every school employee will be trained on the use of an EpiPen. All teachers with students with allergies will be given a copy of each student’s Emergency Action Plan. All sub folders will have a list of students with life-threatening allergies placed on the first page of the sub folder. Inside the folder will be the student’s Emergency Action Plan and daily procedures.

Teachers on occasion may serve food, possibly homemade, as long as it is directly related to the curriculum. Notification forms describing what will be served must be sent to all families. Notification forms must be signed by every parent and returned to school prior to the event.
Food (not brought by individual students) may be served during the extended day care program. Notification forms describing what will be served must be sent to all families. Notification forms must be signed by every parent and returned to school prior to the event.

**Birthdays, Parties (Graduation and Holiday), Snacks:**

- Non-food items are strongly encouraged for birthdays and parties.
- No homemade treats are allowed to be distributed during the school day nor to be sent home for consumption.
- Treats should be distributed without the need for preparation.
- If your child has allergies and may not be able to consume treats brought to the classroom, you may provide the teacher with snacks approved for your child. A supply of these snacks can be kept in the classroom for your child’s consumption.
- Classroom pizza parties/lunches require a permission slip be sent to all parents to inform them of the selected food items and to secure consent.
- In classrooms where daily snack is allowed, snacks should be healthy, easy to consume, and need no preparation.

**Hot Lunch/Other School Events**

For hot lunch and other school sponsored events such as Grandparents’ Day, Parent/Teacher Conferences, bake sales, Sporting Events/Extra-Curricular Activities, etc. in which food is provided (homemade or commercially made), the school cannot guarantee that the items provided will be peanut/nut or allergen free. Parents assume responsibility as participation is voluntary.

**Lunch Period**

If needed, a peanut free table/desk will be designated in the lunchroom or classroom. This will be determined by the school and parent in conjunction with the allergy action plan.

**Field Trips**

The teacher will make sure that all medications (EpiPens, inhalers, Benadryl, etc.) are brought on the trip. If your child needs special accommodations on a field trip, please contact your child’s teacher.
Athletics

Sports are provided for all students in 5th-8th grade throughout the year. Consult the parent newsletter or visit the school’s website for more information. A separate Athletic Handbook is required for participation. See “Athletic Eligibility.”

Bullying

Any action, word, or behavior which harasses, intimidates, or causes physical, emotional or psychologist harm to another student or students is strictly prohibited. This prohibited conduct also extends to the use of technology (“cyber bullying”) as a tool to harass or cause harm. Bullying is prohibited during any school-sponsored education program, while in school or on school buses, or through the transmission of information from a school computer or a school computer network. However, this policy is not limited to conduct that occurs on the premises of the Diocese school.

“Bullying” means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically (“cyber bullying”), directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

a. Placing the student or students in reasonable fear or harm to the student’s or students’ person or property.

b. Causing a substantially detrimental effect on the student’s or students’ physical or mental health.

c. Substantially interfering with the student’s or students’ academic performance.

d. Substantially interfering with the student’s or students’ ability to participate in or benefit from the services, activities, or privileges provided by a school.

Bullying may take various forms, including without limitation one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. Examples of “cyber bullying” include but are not limited to the use of email, websites, text messaging, social media, or photos or videos to harass or intimidate. Students who violate this policy will be subject to the discipline policy of the school.

Cell Phones/Electronic Devices

Cell phones must remain in backpacks and turned off during the school day. Children are not allowed to take their cell phone from their backpack during the school day, including lunch time. If a child needs to use a phone during the day, he/she must come to the office. Cell phones may be turned on after 3:05 p.m. to help a child facilitate his/her after school transportation. Cell phones are PROHIBITED from being used in a restroom or locker room. Cell phones are not to used at aftercare unless permission is granted by the supervisor.

Electronic devices, including Apple Watches or similar watch devices, are prohibited from use during the school day so as not to distract students from the learning environment. Many watch devices have a cellular features that perform like a cell phone.

Change of Name, Address, Phone

Parents are asked to notify the school immediately when a change of name, address, email, or phone occurs.
Chromebooks

Students in grades 6 – 8 will be issued a Lenovo N23 chromebook for use at school and at home. A separate acceptable use policy agreement is required of the parents of each student in grades 6 – 8. The school provides a monitoring system to control the use and search history of the chromebooks both at school and at home. Failure to follow the school’s policy will result in disciplinary action and possible loss of the use of the device. [See the Chromebook Policy for more information.]

Custody

Regardless of custody, both parents have the right to inspect and receive a copy of school records and report cards in the absence of a court order to the contrary. Ordinarily, the school will release a student to either parent unless the school has a copy of a court order giving one parent the exclusive custody. The school abides by the provisions of the Family Education Rights and Privacy Act with regard to parents’ right to access of their child’s school records. The school also abides by the provisions of the Illinois law regarding the right of access of non-custodial parent to his or her child’s school records.

Discipline

It is the policy of the Annunciation Education Commission to strongly support the school administration in the enforcement of school regulations. The school reserves the right to establish and enforce reasonable standards of behavior for all students involved in educational and recreational activities – whether during regular school hours, on the school premises, in connection with school activities or otherwise. In the event of a violation of those standards, the school reserves the right to invoke appropriate disciplinary steps including but not limited to detentions, suspensions, and expulsion. The level of discipline appropriate for a violation shall be determined on a case-by-case basis in the school’s discretion based upon a review of a variety of factors including, but not limited to, the severity of the misconduct, the student’s academic and behavioral record and other similar criteria. We believe that each child deserves respect as an individual and, in turn, should respect all with whom s/he comes in contact. Helping the child to grow in self-discipline and a respectful attitude toward authority should be the constant aim of both parents and teachers. Children who have been taught these principles learn more readily and make the task of teaching more effective. Students are expected to obey those in rightful authority, i.e., administration, teachers, staff members and lunch supervisors.

Drugs and Alcohol

Students are prohibited from using or being under the influence of alcohol or drugs while at school and at any school-related function. Included within the prohibitions set forth in this policy are the following:
… use, possession, manufacture, distribution, dispensation, or sale of drugs, drug paraphernalia or alcohol on school premises or with respect to school-related activities.
… storing in a locker, desk, automobile, or other repository on school premises or in connection with any school-related activity any drugs, drug paraphernalia, or alcohol.
… being under the influence of drugs or alcohol on school premises or in connection with any school-related activities.
The school reserves the right to require a student to undergo a testing for the use of alcohol and/or drugs when a reasonable suspicion of such use exists. A “reasonable suspicion” of drug and/or alcohol use may be based upon the observation of the student’s behavior, information received regarding alleged alcohol or drug use and/or other indication giving rise to suspicion of a violation of this policy. A student’s failure to cooperate in testing required by this policy or other violations may result in disciplinary action up to and including expulsion from the school.

**Tobacco/Smoking Regulations**

Students are prohibited from possessing, smoking, or using tobacco products at school or in the proximity of Annunciation or at any school sponsored activity. Possession and/or use of matches or lighters are also prohibited.

- First Offense: Attendance at a tobacco intervention clinic and 10 hours of school detention. Failure to complete either will result in 3 days suspension.
- Second Offense: 5 days suspension
- Third Offense: 10 days suspension

**Inspection Policy**

Individuals entering upon the premises of the school—whether students, employees or guests are expected to conduct themselves in keeping with established norms for personal conduct. In order to provide students and employees with a safe and healthy environment, the school reserves the right, in its discretion, to conduct inspections of school property and the property of students and visitors on the school’s premises. Included in this policy is the right to inspect the following:

- Lockers, knapsacks, purses, backpacks, briefcases, bags, gym bags or similar such devices brought onto or existing on school premises,
- Vehicles on school premises,
- Clothing (with appropriate safe guards for the individuals personal privacy), desks, other property (whether school, student, or visitor) existing on school premises.

A student’s failure to cooperate with such an inspection may lead to appropriate disciplinary action up to and including expulsion.

**Discipline Consequences**

All discipline situations will be handled by the principal and/or the teacher on an individual basis. A detention system is used for some discipline matters. Detentions are held before school on Wednesday from 7:45 – 8:15 am in the Principal’s Office. Some specific, but not inclusive discipline areas are:

1. Disrespect to any teacher, staff member, lunch monitor, student, or guest in the building
2. Harassment/fighting
3. Foul or inappropriate language
4. Failure to comply with classroom rules or procedures
5. Failure to return signed homework/tests
6. Violating the cell phone policy

In detention cases, the detention slip is to be signed by a parent/guardian and returned to the teacher who issued it. If the slip has not been signed, or if the signature is in question, a phone call will be made to the home or place of employment. A skipped detention will result in a double detention. A tardy detention will result in the student serving another detention the following week. No excuse will be accepted for missing detention without a note.
Sports/cheerleading/youth music group is not a sufficient excuse. Classroom consequences will be set by teachers in consultation with the principal.

**Policy on Suspensions/Expulsions**

In order to maintain an optimal learning atmosphere in our school while respecting the rights of students and parents, it is our policy that a student may be suspended or expelled for gross disobedience or misconduct which are defined as follows:

A. Behavior, including threats, which is injurious to persons or property.
B. Behavior which substantially or materially disrupts the educational process or discipline of the school.
C. Continued minor incidents of misbehavior or disregard for the published regulations of the school after warning about repeated minor incidents of misbehavior or disregard for the published regulations of the school.
D. Gross disrespect to school personnel or gross disregard for school policy/mission. Some examples of gross disrespect or misconduct are:

- fighting, assaulting or intimidating another individual
- throwing snowballs, stones, stink bombs or other objects when in or out of school
- possession and/or use of a weapon, possession and/or use of alcohol, narcotics, or other intoxicants, etc. at school or at a school function/activity
- possession and/or use of matches, lighters, or firecrackers or other explosive materials
- setting off a fire alarm without evidence of a fire or emergency
- taking of school property or another’s property without permission, defacing or damaging school property or another’s property
- lying or insubordination to a staff member
- cheating or plagiarizing
- truancy
- possession or distribution of immoral pictures or literature,

The decision to suspend for three school days or less is at the discretion of the principal. The parents/guardians of the student shall be notified of the reason for any immediate suspension for three school days or less at the time the suspension begins. Work assigned during the time of suspension may NOT be made up for credit. The final decision to suspend for more than three school days or to expel will be a decision of the School’s Student Conduct Hearing Board which will be made up of the Principal, Pastor, a member of the Education Commission, and a member of the faculty. The Principal and Pastor may select the Education Commission member and the faculty member. A hearing will be held by the Student Conduct Hearing Board before anyone is suspended for more than three school days or expelled. The parents/guardians and the students will be notified, in writing, of the time of the hearing and of the reasons for the possible suspension/expulsion. The parents/guardians and student shall be requested to attend the hearing. At the hearing: (1) The reasons for the possible suspension/expulsion shall be given. (2) The parents/guardians will have the opportunity to respond and present their version of the incident. A record of the hearing and resulting action of the Student Conduct Hearing Board, shall become part of the student’s permanent record.

Students on suspension are not eligible to participate in any school associated activities. Students on suspension are responsible for all learning work assigned during the period of suspension. However, written work, tests, etc. missed will not be allowed to be made up. Counseling is one option that may be required before re-admission after suspension and/or expulsion.
Possession of Weapons

It is a violation of the school’s policies for a student to possess a weapon on school premises or at any time in connection with school-related activities. Included within the prohibitions of this policy are the possession, sale, distribution, manufacture, receipt, seeking the sale or trade or use of any firearm, knife, martial arts device or any other object, which, in the school’s discretion, may reasonably be considered to constitute a weapon. Violations of this policy may result, in the school’s discretion, in disciplinary action up to and including expulsion from the school.

Corporal Punishment

Corporal punishment is forbidden at Annunciation School.

Gangs and Gang-Related Activities

This school is a gang-free environment. Gangs, as defined in this policy, include individuals who associate with each other primarily for criminal, disruptive, and/or activities prohibited by law and/or by the school’s rules and regulations. Gangs, gang-related activities, and secret societies are not acceptable in a school setting as their presence interferes materially and substantially with the educational process and the maintenance of appropriate discipline and also may foster anti-social behaviors, attitudes, and practices which may endanger the health, safety, and welfare of all students.

Students are prohibited from any activity related to a gang or secret society while on school property or in connection with school-related activities. Activities prohibited by this policy include, but are not limited to, the following:

1. Soliciting and/or recruiting others for membership.
2. Participating in and/or inciting physical violence.
3. Extorting or soliciting money and/or services, requesting any person to pay for protection or the payment of dues.
4. Coercing, harassing and/or otherwise intimidating, threatening or causing harm to any person or thing.
5. Wearing, possessing, using, displaying in any manner, distributing or selling any clothing, jewelry, emblem, badge, symbol, sign or any item commonly associated with membership in or affiliation with a gang or secret society.
6. Engaging or failing to engage in any activity where such is intended to promise or further the interest of any gang or any gang activity or secret society including, but not limited to distributing literature, drawing or displaying gang-related symbols on any surface or teaching others to “represent” or act like a member of a gang or secret society.
7. Any other activity which violates any law, rule or regulation of the school or the Catholic Diocese of Rockford when such an act or activity is taken to further the interests of a gang or secret society.

Violations of this policy may result, at the School’s discretion, in discipline up to and including expulsion from the school.
Dress Code

Pride in our school takes so many different forms – pride in academic achievement, pride in the learning and practice of the Gospel, pride in the way staff and students act and look, so that the appearance of our students can continue to be a source of pride.

Dennis Uniform is our uniform supply store. They can be reached at (800) 854-6951 or www.dennisuniform.com

- All students must be dressed and groomed in such a way as not to be a source of distraction to other students and teachers while attending school. These gym shoes will remain at school for the year. Children in fourth through eighth grade will be required to wear the school established gym uniform and gym shoes during class. **Dress Code for Dress-Down Days**

Annunciation Student Handbook
Last Updated: 8/22/2018
Dress-Down days are usually sponsored on the first and third Fridays of the month. Typically, the first Friday of the month is $1.00 Dress Down Day. During dress-down days, students are allowed to wear jeans, T-shirts, tennis shoes, shorts, or sweatpants. Typically, the third Friday of a month is “Spirit and Pride Day”, where the students wear Annunciation spirit apparel or blue/white shirts/sweatshirts. Children must have the spirit wear or school colors displayed all day, i.e. cannot wear a red sweatshirt over a spirit shirt.

However student attire must still be appropriate and not interfere with the educational process and adhere to the following stipulations:

- Clothes with rips, tears, or holes may not be worn.
- In addition, students are not permitted to wear spaghetti-strap, tank tops, strapless tops or halter tops, excessively short skirts or shorts, torn jeans, or tight-fitting shorts, skirts, or jeans.
- If girls are wearing leggings, they must wear a shirt or sweatshirt that falls past their hips.
- Shorts and skirts must extend past the student’s middle finger while their arms are at their side.

Clothing should be comfortable and discreet. If a student is found to be in violation of this policy, the principal will notify the student and the student’s parents. The student may be asked to return home and change into more appropriate attire.

**Dress Code for School Dances**

Student Council sponsors school dances for sixth, seventh, and eighth grades. The same guidelines that apply to dress-down days will also be in effect for school dances. Discreet and comfortable should be the guiding characteristics for non-uniform clothing.

**Eligibility Policy (for Activities)**

Annunciation places a high priority on academic success. Extra-curricular activities are offered to enhance a student’s total educational experience but not at the expense of their academic success. Parents are and need to be their child’s greatest advocate. Parents have the best vantage point to determine how much effort their child is exerting towards academic success and the impact of their child’s involvement in extracurricular activities has on their child’s academic motivation. The school is obligated to let parents know periodically the academic standing of any student involved in extracurricular activities. Parents will determine their child’s eligibility in extracurricular activities. The parents need to notify the coach and the principal if they decide to make their child ineligible.

**Emergency Closings/Late Start**

School closing and late starting times are announced on WKKD (FM 95.9 – AM 1580) or WGN (AM 720), [www.emergencyclosings.com](http://www.emergencyclosings.com) or [www.annunciationbvm.org](http://www.annunciationbvm.org) and the school’s Facebook page. A message will also be sent to parents via text and SchoolSpeak email. This would usually be announced early in the morning and would ordinarily be related to a winter storm. In case of a severe thunderstorm or tornado, shelter will be taken at school.
Education Commission

The Education Commission is established by the pastor, in accordance, with the Diocesan policy, to assist him and the principal in the governance of the parish school. When the Commission meets as pastor, principal, and members and agrees on a policy matter, the decision is effective and binding on all. The Commission is consultative in the following sense: the members cannot act apart from the pastor and principal and cannot make decisions binding for the parish without the approval of the pastor and principal. The areas in which the Commission functions and will be consulted in major matters include but are not limited to:

1. Planning – The Education Commission must look ahead to the educational needs and see how they will be addressed.
2. Policy-making – The Education Commission must adopt policies as appropriate to meet educational program needs and provide for the execution of the policies.
3. Financing (including budgeting and policies for financial management).
4. Public Relations
5. Selection of a principal
6. Evaluation of the principal’s relationship with the Commission
8. Major curriculum changes

Extended Day Care Policies and Procedures

Annunciation School provides extended day care as a service for families attending our school who desire additional, quality supervision for their children before and/or after school. The AM and PM programs are offered to children in Preschool through 8th grade. The PM program meets in the Primary building and will allow time for snacks, play outdoors (weather permitting), homework and/or study, interaction with other students, crafts, games, and puzzles. The AM program meets in the Gymnasium will allow time for some of the above. The students will be supervised by paid employees who have met all diocesan requirements for employment including a State Police background check and attendance at a Protecting God’s Children class.

Hours of Operation

AM program: 7:00 a.m. – 8:15 a.m. (Students attending Mass will be sent over to church at 7:50 for their class Mass.) – Upper Building

PM program: 3:00 p.m. – 5:30 p.m. – Primary Building

There is no PM program on half days of school or on early dismissal days. The AM program will be available on half days.

Children may be dropped off or picked up at any time during operating hours; however, parents will be billed for a full day of care, regardless of the length of time they are in extended day care.

Children must be picked up promptly. If parents are late picking up children after closing time, an additional fee of $1 per minute per child will be charged. Continued late pick-up may result in the child(ren) being dismissed from the program at the discretion of the supervisors in consultation with the Principal.
Children will only be released to the parent or individual who has been designated by the parent as the pick-up person unless the supervisors are notified in writing by at least the morning of the change in the pick-up.

Families that only plan to use the extended care program on an occasional basis, should send a note to school or call the office, so the staff knows to expect your child(ren).

**Additional information**

Parents must enter the building each day to sign in their children in the AM and to sign their children out in the PM.

If you plan on using the program at any time during the year, a registration form must be completed.

Any student not picked up from the Upper Building by 3:15 p.m. or any student not picked up from the primary building by 3:10 p.m. will be sent to after school care. If not picked up by 3:15 p.m., the parent will be charged for the entire day. Any student dropped off at school prior to 8:15 a.m. will be sent to before school care, and the parent will be billed for the day.

Parents will be sent an invoice every two weeks. The invoice will be sent home on Tuesday and payment will be due on Friday. Parents whose payments are more than 2 weeks late will forfeit the use of extended day services. Payments should be sent to the school office.

Students should bring their own snack and/or beverages for the PM program. Snacks should be simple and healthy. Students will not be allowed to use the microwave, oven, or refrigerator. Students may bring something to eat at the AM program. Food items should be simple and require no preparation or clean-up.

**Fees**

Before school care: $5.00 per child per day

After school care: $10 for the first child and $5 for each additional child per day

The custodial parent will be responsible for the extended day care account. Any correspondence or communication with regard to this account will be with the custodial parent.

**Special Procedures**

Illness or Accident: The same procedures followed during the school day will be followed when your child is participating in the extended day care program. Parents are expected to make provisions for taking sick children home.

Medication: Medication will only be dispensed when absolutely necessary and permission for extended day care personnel to dispense medicine must be in writing.

Homework: Some time will be given for completing homework. It is the student’s responsibility to bring all books and materials to the extended care program. Students will not be permitted to return to desks, classrooms, or lockers to retrieve materials.
Homework Help Participants: Students participating in homework help may attend after school care after homework help is dismissed.

Students from the Upper Building attending homework help will be taken to extended day care if they are not picked up by 3:50 p.m. and the parents will be billed.

**Extended Care Rules**

- All school rules as noted in the Student Handbook apply.
- No student is to leave the supervision of the supervisor without permission.
- Each child is expected to participate in all activities to the best of his/her abilities.
- Each child is expected to help clean up toys, craft supplies, etc.
- Each child assumes responsibility for any toys or games brought from home. No electronic devices are allowed. Chromebooks can be used for homework assignments.
- Cell phone use during PM care should be for pick up communication only and should only be used with the permission of the supervisor.
- No gum at any time.

**Extracurricular Activities**

There are a number of extracurricular activities students may join during the year. Athletics, yearbook, scouts and student council are some of these activities. Different organizations will set specific guidelines for students to follow. Students are encouraged to join these activities as long as they do not negatively affect their academic standing in any class.

**Field Trips**

Field trips are scheduled in order to help supplement learning activities that cannot be duplicated in the classroom. All students are required to attend field trips. Sixth, seventh, and eighth grade students must have all service hours completed by April 30th to attend any field/class trip scheduled during the month of May. Parents/guardians will be sent a permission form which must be signed and returned. All drivers must have a Driver Information Sheet on file in the office before taking students from the building. Seat belts (and car seats when necessary) must be available for and worn by all students. All chaperones must have volunteer clearance.

Chaperones for field trips are responsible to the teacher in charge and for their group of students going to and returning from the site. The number of chaperones attending field trips and assigning of groups is left to the teacher. Chaperones are prohibited from consuming alcohol on field/class trips and from making any unscheduled stops to or from the site. Please do not provide snacks/treats for the students under your supervision. At times private vehicles are used for field trips.

*Any chaperone that violates this policy will be prohibited from driving on any/all field trips or events for the remainder of your child/ren’s time at Annunciation.*

**Fire, Severe Weather and Lock Down Drills**

Throughout the year we will practice fire, severe weather and lock down drills. Students are to be completely quiet while these drills are being held.
Gum

NO gum is allowed in any building on campus, including the Gymnasium.

Health Examinations and Immunizations

Proof of health examination and proof of immunization against preventable communicable diseases in accordance with Illinois School Code are required as follows:

- Within one year prior to entering preschool
- Within one year prior to entering kindergarten
- Within one year prior to entering sixth grade

Proof of dental examination is required as follows:

- Within one year prior to entering kindergarten
- Within one year prior to entering second grade
- Within one year prior to entering sixth grade

Proof of eye examination is required as follows:

- Within one year prior to entering kindergarten
- Within one year prior to enrollment for any new student

If a child does not submit proof of having had either the health examination or the immunizations as required, then the child shall be examined or receive the immunization, as the case may be, and present proof by October 1 of the current school year. If the child does not comply by October 1, the school Administrator shall exclude that child from school until such time as the child presents proof of having received those required immunizations which are medically possible to receive immediately. During a child’s exclusion from school for noncompliance with this ruling, the child's parent(s) or legal guardian(s) shall be considered in violation of Illinois School Code Section 26-1 (105 ILCS 5/26-1) and subject to any penalty imposed.

If the physical condition of the child is such that any one or more of the immunizing agents should not be administered, the examining physician responsible for the performance of the health examination shall endorse that fact upon the health examination form.

Additional examinations, including vision examinations, may be required when deemed necessary by school authorities. Tuberculosis examinations are required by the Department of Health when the child involved resides in an area which has a high incidence of tuberculosis.

Report cards will not be issued to students who have not submitted the required medical forms including vision and dental forms.

Home and School Association

The Home and School Association is established by the pastor to assist the Education Commission in the educational mission of the parish. This Home and School Association is responsible to the Commission through the principal, and is consultative in the following sense: the members cannot make decisions binding on the school without the approval of the principal, pastor, and the Education Commission. As parents, you are strongly encouraged to attend all Home and School activities. The areas in which the Association functions include but are not limited to:
1. Social – the planning of social events which will bring together students, parents, volunteers, and faculty to enjoy recreational activities.
2. Educational – selecting speakers who can address the parents and faculty on issues that are pertinent to parenting, pertinent to families that have chosen a Catholic education for their children.
3. Public Relations – strengthening the image of the school both within the parish and outside the parish, and to the attention of the principal issues that should be addressed concerning school morale, academic improvement, extracurricular needs, etc.
4. Financial – The Home and School Association, with the approval of the principal, shall organize activities that will bring in revenue for school wants/or needs that may be in the school budget or have not been included in the school budget.

**Homework**

It is highly recommended that work done at home be for reinforcement of materials already taught, completion of incomplete assignments, and/or make-up work. Long-range assignments may also be given as long as the children understand the assignment. Teachers are highly encouraged to provide rubrics (explanation of grading requirements) for all long range projects. Recreational reading should be a daily habit.

The suggested daily length of homework is figured by adding a “zero” to the grade level: 20 minutes for 2nd grade, etc. Some days there may be more work assigned. The times are minimum requirements. When a students is absent from school, the student must find out what the assignments were, and is required to make them up. Incomplete assignments will affect grades. Corrected work will be sent home at regular intervals. Many times the teachers ask for parents’ signatures on assignments so the teacher knows that the parents are knowledgeable of the child’s work, needs, and progress. Students should always do their own work; copying is never acceptable and is considered a serious discipline offense! The student’s responsibility is to complete assignments on time and to schedule after-school activities so that they do not interfere with the completion of assignments. Before/after school help is available from teachers.

**Homework Help**

Homework help is provided free of charge to junior high students on Mondays and Wednesdays from 3:05 to 3:45 in the upper building library. Students may work on their homework or ask for help in any subject. *This time is intended to be study time, not social time.* Students must bring something to work on when they come. If a student does not have any homework or anything to study, his/her parents will be called and asked to pick up their child early.

Students must be picked up by 3:50. Students who are supposed to go to after-school care will be taken to the primary building at 3:50. Any other students who have not been picked from homework help by 3:50 will also be taken to after-school care and will be charged the normal extended care charges.

Students who repeatedly disrupt other students during homework help sessions will be told that they can no longer attend this service.
Plagiarism Policy

Plagiarism can be defined as claiming another’s published or unpublished thoughts, ideas, or words as one’s own. This can be word for word use or rearranging words without acknowledging the author. Examples of plagiarism may include:

- Submitting work that was written by someone else.
- Failing to use a citation to give credit to another author.
- Failing to cite materials on a works cited page or bibliography.
- “Cutting and pasting” or using material from internet sources without crediting the source.
- Failing to reference an author when quoting him/her in an oral presentation.
- Presenting another person’s ideas as your own.

Plagiarism may result in a failing grade for the plagiarized work, detention, suspension, or expulsion.

Honor Roll (6th-7th-8th)

The Honor Roll is determined on a point scale. For students to earn the privilege of Honor Roll, they must attain a certain number of points. Grades in six subjects are used to determine Honor Roll: Religion, English, Math, Literature, Science, and Social Studies. P.E., Art and Computer do not enter into Honor Roll. Honor Roll is based on a possible total of 60 points.

Grades of A+, A, and A- receive 10 points each
Grades of B+, B, and B- receive 9 points each
Grades of C+ receive 8 points each.
Grades of C or C- and below do not receive any points.

Points are totaled and Honor Roll is determined accordingly:

- 60 points – High Honor Roll
- 54 - 59 points – Honor Roll

Late Entrance/Early Dismissal

In order to accurately account for student arrivals and departures, we require a parent or guardian to sign their child(ren) out and/or in before the child leaves or arrives at the individual buildings.

**Grades 4th – 8th**
Parents must sign their children in, when arriving late, and out, when departing early. A clipboard is provided in the school office.

**Grades Preschool – 3rd**
When arriving late for school in the morning, a parent must accompany their child(ren) to the back door of the Primary Building. The parent will then be asked to sign for the tardy student.

**Grades K-8**
Students tardy to Mass (arriving after the Sacristy bells are rung) or school (arriving after the bell rings – both buildings) cause disruption to others. Students earning 3 tardies per quarter will be issued a detention on their 4th tardy (this procedure subject to change). A note will be sent home for parent signature to notify the parent on the 2nd tardy. Each subsequent tardy in that quarter will also result in a detention.
Library

The library in both buildings is available to all students. Students are expected to pay for lost or damaged books and no report cards at the end of the year will be issued until books are returned or fines are turned into the office.

Lost and Found

Lost and Found containers are placed in both buildings. Items left in these containers for a month are usually donated to Hesed House.

Lunch

Students must bring a sack lunch with them everyday except on hot lunch days or on pizza days. All lunch bags and boxes must be marked with the child’s name. Milk fees are payable at the beginning of each semester. No one may leave the school premises, especially during the noon hours, without written permission. A student should remain seated while eating and clean up the room before leaving for recess. If parents occasionally need to bring a lunch to either building, please take it to the school office and it will be distributed. Students may NOT use the microwave ovens or refrigerators.

Medication

Annunciation School has the following standard policy regarding medication:

A. Rockford Diocese Policy #5130: “It is our policy that no medication is administered except by the school principal/DRE/CRE or their designee. Such medication will only be administered provided the child’s parent or legal guardian submits in advance such documentation as is required by any administrative regulation issued under this policy.”

B. The office will provide a Medication Authorization Form. “The parent must fill in seven numbered areas before any medication will be distributed to their child. Physician orders/prescriptions must be attached. I hereby authorize (name of school, etc) to administer the following medications to my child.” No medication is given without all of the procedures being followed. Parents should write a note for students to take cough drops, etc.

C. The school shall provide a secure space for safe storage of medication.

D. This information shall be placed in the student’s health file along with the parental request for administration of medication.

E. Students are not permitted to keep medications anywhere but in the school office where it will be safely stored.

F. Asthma inhalers are permitted and encouraged to be with the student at all times.

G. If a student is taking any sort of medication, even if it is not taken at school, for a long term, the medication should be noted on the emergency information form and on the health history form. If your son/daughter begins taking a new medication, please contact the office.

Money Collections

No donations or money collections are to be taken without the approval and permission of the principal. Monetary fines are not permitted without permission from the principal.
Non-discrimination in Schools

Annunciation BVM Catholic Elementary School admits students of any gender, race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students in this school. Annunciation does not discriminate on the basis of gender, race, color, or national and ethnic origin in administration of its educational or employment policies, athletic or other school administered programs. If an individual believes that he or she is a victim of unlawful discrimination by the school the individual should report this to the Principal or Superintendent of the School. If the complaint of discrimination is against the Principal or Superintendent, the individuals may instead report the matter to the Superintendent of Catholic Schools of the Diocese of Rockford. All complaints of unlawful discrimination will be investigated and treated seriously. The report will be investigated, and the investigation may include a review of the documentation as well as interviewing the alleged victim, potential witnesses and the alleged accused. Upon completion of the investigation, a determination as to the merits of the allegation of discrimination will be made. The individuals involved will be informed of the results of the investigation. Catholic Schools in the Diocese of Rockford shall be in compliance with all the relevant case law interpreting the Illinois School Code, including Phyler vs. Doe.

Parent Procedures

During the course of a normal school year, questions, problems, or misunderstandings may occur with regard to classroom activities/personnel. The Education Commission has set forth a procedure which the parent(s) shall follow in the event that the parent(s) had/have a concern. The parent(s) of the student shall meet with the student’s teacher. In the event that the concern is not remedied to the satisfaction of the parents, then the parents shall next meet with the teacher and principal. In the event that the concern is not remedied to the satisfaction of the parents, then the parents shall next meet with the teacher, principal, and pastor. No teacher, principal, pastor, or Education Commission member shall have to meet with any group of parents.

Parent-Teacher Conferences

To strengthen closer cooperation between home and school, parent-teacher conferences are held at the end of the first quarter. Additional conferences may be held at the suggestion of the parent or teacher. Please make an appointment in advance. Preschool conferences are held at a later time.

Parking Lot

Parents may not park or drive through the Primary Building parking lot before, during or after school. Curb service will be provided for the Primary Building from 8:15-8:25 a.m. at the front door of the building. Children should proceed immediately to the back of the building. Parents must use the circle drive in front of the Upper Building to drop off their children. Students should proceed immediately to the back of the building. There is no parking in the circle drive before school. Parents should refrain from using the upper building parking lot unless attending mass or entering the building. Because of the many cars coming into our parking lot and the busy traffic on Church Road, we ask that students NOT play in front of school after school.

Playground/Recess

The playground period is an excellent opportunity for training the child in good sportsmanship, thoughtfulness, and consideration for others. Every child, unless excused for reasons of health with a
doctor’s note, is expected to participate in playground activities with his/her own class. Please do not ask that a child stay indoors because he/she prefers to do so. Children should be sent to school dressed warmly enough to withstand the weather. When it is raining or severely cold, (wind chill below 10°F) the children are kept indoors. Specific rules will be set, if needed. Children should obey the playground supervisors whether they are volunteers or staff members. Children are expected to treat each other with respect: no fighting, no name calling, no stone throwing, no snow throwing. The playground equipment should be properly used. Equipment should be returned to the basket/container of the grade to which they belong. Students may bring balls (no hard balls) from home provided they are brought to and from school in a closed bag. Balls must remain in the bag except during recess. Balls may not be used anywhere on school grounds after school. Any violation will result in the ball being confiscated. Students may lose the privilege of using the playground if the rules established cannot be followed.

The Staff Members who are supervisors are responsible for the behavior of the children during recess and lunch. Misbehavior will be reported to the teacher on-duty and the principal at the end of the lunch period.

**Property**

Any school property used by the students, such as books, desks, athletic equipment, etc., shall be treated with care and respect. Textbooks must be covered the first week of school and kept covered at all times. Parents are financially responsible for the condition of any school property entrusted to their child (ren). Defacing school property could result in fines and/or discipline consequences.

**Lockers and/or desks are not to be decorated for birthdays.** If coaches decorate student lockers, decorations should be removed in three days. A coach and/or a parent must be with the student(s) when decorating lockers and/or desks.

**Records**

No records will be sent to another school until all financial obligations have been satisfied. Students must have accurate, up-to-date medical records on file. Students not following these requests for health records may be suspended until the records are made available to the school.

**Report Cards**

Parents will access and view their child’s progress and report cards online, via SchoolSpeak for students in Kindergarten through 8th grade. Report cards will no longer be sent home.

Retention and/or Summer School

Students in grades K-8, who receive a failing grade in any subject, for two or more subsequent quarters of the school year, may be required to complete a summer assignment and/or attend summer school and/or may be required to repeat their academic year. Students in grades K-4 can be recommended or may be required to attend summer school in order to insure appropriate preparation for promotion to the next grade level. Students in Preschool and Kindergarten may be recommended for retention if teacher analysis and testing indicates that this is the best option. Both students and parents will be notified well in advance of the need to impose this policy. Discussions with the teacher concerning retention should begin no later than the end of the 2nd quarter.

Safety Measures

The following are safety procedures for students.

1. Parents are urged to remind children not to accept rides or gifts from strangers and not to accept literature or handbills from anyone but their parents and school personnel.
2. The Safety Patrol is composed of 6th-8th graders. Children are to give them their wholehearted cooperation. They are on-duty from 8:15 – 8:25 a.m. and 3:00 – 3:15 p.m. daily.
3. No cars may enter the Primary Building lot except those belonging to teachers. Please do not make U-turns on Church Road in front of the Primary Building.
4. Children should cross streets only at designated areas.
5. Bicycles should be kept locked on the bicycle racks in the parking lots.
6. Snowballs are not to be thrown on school/parish property.
7. Possession and/or use of matches and lighters are also a violation of school rules.
8. Children should not be dropped off at the stop sign in front of the Primary Building. Please drop children off directly in front of the Primary Building.
9. Children in the upper building should be dropped off in front of the building using the horseshoe driveway in front of the building. Students should proceed to the back of the building. Parents should refrain from using the upper building parking lot unless attending mass or entering the building.
10. Dogs can be unpredictable around people, especially children. To protect our students, dogs are not allowed on school property or in classrooms. Dogs should remain in vehicles at all times.

School Security

No parents or visitors are to enter the school during school hours except through the Main Entrance, this includes coaches and committee members who have a building key. All parents and visitors to the school are to report first to the School Office. Parents are not allowed in the hallways or in classrooms during the school day or lunch hour unless previous arrangements have been made with the office. If a parent needs to speak to a student, the student will be called to the office. Parents are not to assemble in the school lobby or hallway of the Primary Building.

SchoolSpeak Online Grade book

Homework, assignments, quiz and test grades for children 4th through 8th grade can be accessed online through SchoolSpeak www.schoolspeak.com. Teachers will publish grades each Wednesday morning for parents to access. Progress reports, Report cards, and Eligibility letters will not be sent home, these are now viewed on SchoolSpeak; therefore it is required that you sign up for SchoolSpeak. Each parent may have their own login.
To enroll in SchoolSpeak or change your email address that is already in the system, you must complete a SchoolSpeak enrollment form (found at the end of this handbook or download from the school website) or contact the school office.

**Sex Offender Registry/Illinois**

Illinois law requires us to notify parents that they may review the information available to them at the Illinois Sex Offender Registry. This information is available through a link on the Illinois State Police website at www.isp.state.il.us/. Individuals may search the database by name, zip code, or county and access is free.

**Service Hours**

Annunciation School has a comprehensive Community Service Program that enables 6th, 7th, and 8th grade students to put their faith into action by sharing their talent and time with the school, parish, and their local communities. 6th grade students are required to serve a minimum of 6 hours to the school or parish and 4 hours to their local community. 7th grade students are required to serve a minimum of 12 hours to the school or parish and 6 hours to their local community. 8th grade students are required to serve a minimum of 18 hours to the school or parish and 8 hours to their local community. Service hour forms are available on the principal’s office door.

All services to others must be unpaid and regular chores assigned around the house are not acceptable. Parents and relatives cannot sign for service hours. Community hours are acquired by providing valuable services to local NOT FOR PROFIT agencies or non-family members in need. Many opportunities are available around school and parish to complete the requirement. Service hours completed must be turned in two weeks after the service is completed.

All service and service hour forms must be completed and turned in by April 30 of each year. Failure to complete the minimum requirements may result in the student not attending his/her class field trip in May. A separate service hour brochure is given to all 6th, 7th, and 8th graders. Annunciation sponsors a Community Service Day in the fall for all sixth, seventh, and eighth graders. Students, teachers, and parent volunteers will go into the community to serve for a half day.

**Special Services**

**School Counselor**

Catholic Charities of Rockford has contracted the services of a qualified school/home social worker to service the needs of our students and their families. The social worker visits our school at regular intervals. If you desire this service, please contact the school office.

**Exceptional Child**

If a parent and/or teacher become aware that a child may have learning and/or speech and/or behavior problem, referrals may be made to the local public school. Please contact the child’s teachers or the principal first to discuss the matter.

**Telephone**

A. Messages will be left for teachers who will return calls when time permits. Please allow a reasonable amount of time for teacher response to telephone call or email.
B. No child will be called to the telephone during class time unless the call is sanctioned by the principal.
C. If urgent messages are necessary for the children, please call the school office. Please do not call the school office with “reminder” messages for the students, such as attending Scouts or other after school activities.
D. In an emergency, the child may use the phone in the school office with the permission of the principal, teacher, or secretary.

Testing

The Iowa Test of Basic Skills (ITBS) is given to the students in grades 3 through 8. Students take this test during the first quarter. Other standardized tests may also be given.

Textbooks

Textbooks are provided to all students. Adoption of new textbooks is handled by the principal and a committee composed of teachers. A registration/book fee is due each year so that consumable materials and updated books may be purchased.

Tradition of Excellence

The major fundraiser for the school is the Tradition of Excellence event held once a year. It is the responsibility of the fifth grade parents to organize this event. All fifth grade parents must help with this event or pay the full educational cost of educating their children i.e. the non-parishioner tuition. This event helps to keep tuition costs down. This is an opportunity for the entire parish to get together for an eventful evening. Non-fifth grade parents and friends are cordially invited to assist with this event.

Truancy

Any student that misses more than 10% (17 days) of the required school days in an unexcused manner will be considered truant. The child’s parents will be notified by the principal and a truancy officer. Please understand that removing your child from school for a vacation is an unexcused absence. As a school, we strongly discourage this practice due to its effect on a student’s academic performance.

Tuition

Since Annunciation BVM Catholic Elementary School heavily depends upon tuition to meet its current obligations. Tuition may be paid by semester, quarter or monthly using the TADS Tuition Management system. All families must create a TADS account and choose a payment plan and date of payment (1st, 10th, or 15th). The first payment of tuition must be paid by September 15th. If you are not up to date on your tuition by December 31st, your child(ren) will not be permitted to continue Second Semester unless arrangements have been made with the pastor or principal. All tuition must be paid by May 15th or your child(ren)’s registration for next year will be forfeited unless arrangements have been made with the pastor or principal. Report cards will not be distributed to the students of families who have outstanding tuition or fees.

TADS accepts payments using electronic check or credit/debit card (3% fee applies to credit/debit). Tuition payments made in cash should be brought directly to the school office and a receipt obtained for that payment. Annunciation School does not assume responsibility for any cash payments not brought
to the office and for which you do not have a receipt. No other form of payment will be accepted in the school office.

Families with graduating eighth graders must have all tuition and fees paid by May 15. Eighth graders will not be allowed to participate in graduation activities (practice, luncheon, ceremony) unless all tuition and fees are paid in full. Test scores and letters of recommendation will not be sent to prospective high schools unless tuition accounts are current.

Any family having severe difficulty meeting school expenses must contact and make arrangements with the pastor or principal. Tuition payment is the responsibility of the custodial parent and we will only discuss tuition concerns with that parent.

**Tuition Rates**

The tuition rate will be as follows:

<table>
<thead>
<tr>
<th></th>
<th>Parishioner</th>
<th>Non-Parishioner</th>

<tbody>

Registration/Book fee is $155 (preschool $75) and payable at the time of registration. Registration/book fees are non-refundable after April 1st of the current academic year. Tuition will be refunded on a prorated basis if the family moves out of the parish. Fundraising fee of $175 per family required, except preschool families.

**Use of School Grounds**

Students are not to arrive before 8:15 a.m. unless prior written arrangement has been made with the principal. When there is no school, students are not to be on the property unless they are present for a school activity. If a student is waiting for practice, etc., he/she should be accompanied by an adult.

**Visitors (see also School Security)**

Visitors to both buildings must check in with the office.

**Volunteers**

Parents and other adults from our parish community are most generous in assisting with the school’s programs. Volunteers who wish to work in the building must undergo a State Police background check, complete the Protecting God’s Children program and complete the required Diocesan Forms.

**Withdrawals**

Parents are asked to notify the principal as soon as they know that they are withdrawing from our school. When it is possible, they are asked to give the name of the school the children will attend so that
the school information and records may be forwarded as soon as possible. The new school must request the records.

THE MANAGEMENT OF CONCUSSION AND HEAD INJURY IN YOUTH SPORTS

The State of Illinois enacted a law effective July 1, 2011, requiring IHSA member schools to adopt a policy regarding student-athlete concussions and head injuries that is in compliance with the protocols, policies, and by-laws of the IHSA. The School and its coaches shall continue to adhere to the IHSA Protocol for Implementation of NFHS Sports Playing Rule for Concussions and the IHSA Return to Play Policy, as they are now and may hereafter be amended. This Diocesan Policy applies to elementary schools and high schools.

Definition

A concussion is caused by a blow or motion to the head or body that causes the brain to move rapidly inside the skull. The risk of catastrophic injuries or death is significant when a concussion or head injury is not properly evaluated and managed.

Concussions are a type of brain injury that can range from mild to severe and can disrupt the way the brain normally works. Concussions can occur in any organized or unorganized sport or recreational activity and can result from a fall or from players colliding with each other, the ground, or with obstacles. Concussions occur with or without loss of consciousness, but the vast majority of concussions occur without loss of consciousness.

Removal from Practice and Game if Suspected Injury

When a student exhibits signs, symptoms, or behaviors consistent with a concussion or other head injury, such as a loss of consciousness, headache, dizziness, confusion, or balance problems, or when a coach otherwise suspects a student has suffered a concussion or other head injury, the student shall be removed at that time from participation in a practice or game or other competition.

No Return to the Practice or Game without Physician Clearance

A student who has been removed from an interscholastic contest for a possible concussion or head injury shall not be permitted to return to that contest unless cleared to do so by a physician licensed to practice medicine in all its branches in Illinois or a certified athletic trainer.

If not cleared to return to that contest, a student shall not be permitted to return to play or practice until the student has provided the School with written clearance from a physician licensed to practice medicine in all its branches in Illinois or a certified athletic trainer working in conjunction with a physician licensed to practice medicine in all its branches in Illinois.
Application of this Policy

This policy and the attached appendices are to be made a part of the any agreement, contract, code, or other written instrument the School requires a student and his or her parents or guardian to sign before participating in practice or interscholastic competition.

**Procedure:**

The School shall distribute to every parent whose student is in a youth sport the Fact Sheet for Athletes, found at [http://www.cdc.gov/concussion/pdf/Athletes_Fact_Sheet-a.pdf](http://www.cdc.gov/concussion/pdf/Athletes_Fact_Sheet-a.pdf) (English) and [http://www.cdc.gov/concussion/pdf/Athletes_Fact_Sheet_Spanish-a.pdf](http://www.cdc.gov/concussion/pdf/Athletes_Fact_Sheet_Spanish-a.pdf) (Spanish); and the Fact Sheet for Parents, found at [http://www.cdc.gov/concussion/pdf/Parents_Fact_Sheet-a.pdf](http://www.cdc.gov/concussion/pdf/Parents_Fact_Sheet-a.pdf) (English) and [http://www.cdc.gov/concussion/pdf/Parents_Fact_Sheet_Spanish-a.pdf](http://www.cdc.gov/concussion/pdf/Parents_Fact_Sheet_Spanish-a.pdf) (Spanish); and the attached 2-page Concussion Information and Release Form which must be signed and returned to the School by the parents or guardian and the student.

Effective: 1 October 2011
Concussion Information and Release Form

A concussion is a brain injury and all brain injuries are serious. They are caused by a bump, blow, or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. They can range from mild to severe and can disrupt the way the brain normally works. Even though most concussions are mild, all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly. In other words, even a “ding” or a bump on the head can be serious. You can’t see a concussion and most sports concussions occur without loss of consciousness. Signs and symptoms of concussion may show up right after the injury or can take hours or days to fully appear. If your child reports any symptoms of concussion, or if you notice the symptoms or signs of concussion yourself, seek medical attention right away.

**Symptoms may include one or more of the following:**

- Headaches
- “Pressure in head”
- Nausea or vomiting
- Neck pain
- Balance problems or dizziness
- Blurred, double, or fuzzy vision
- Sensitivity to light or noise
- Feeling sluggish or slowed down
- Feeling foggy or groggy
- Drowsiness
- Change in sleep patterns
- Amnesia
- “Don’t feel right”
- Fatigue or low energy
- Sadness
- Nervousness or anxiety
- Irritability
- More emotional
- Confusion
- Concentration or memory problems (forgetting game plays)
- Repeating the same question/comment

**Signs observed by teammates, parents and coaches include:**

- Appears dazed
- Vacant facial expression
- Confused about assignment
- Forgets plays
- Is unsure of game, score, or opponent
- Moves clumsily or displays incoordination
- Answers questions slowly
- Slurred speech
- Shows behavior or personality changes
- Can’t recall events prior to hit
- Can’t recall events after hit
- Seizures or convulsions
- Any change in typical behavior or personality
- Loses consciousness
What can happen if my child keeps on playing with a concussion or returns too soon?

Athletes with the signs and symptoms of concussion should be removed from play immediately. Continuing to play with the signs and symptoms of a concussion leaves the young athlete especially vulnerable to greater injury. There is an increased risk of significant damage from a concussion for a period of time after that concussion occurs, particularly if the athlete suffers another concussion before completely recovering from the first one. This can lead to prolonged recovery, or even to severe brain swelling (second impact syndrome) with devastating and even fatal consequences. It is well known that adolescent or teenage athletes will often fail to report symptoms of injuries. Concussions are no different. As a result, education of administrators, coaches, parents and students is the key to student-athlete’s safety.

If you think your child has suffered a concussion

Any athlete even suspected of suffering a concussion should be removed from the game or practice immediately. No athlete may return to activity after an apparent head injury or concussion, regardless of how mild it seems or how quickly symptoms clear, without medical clearance. Close observation of the athlete should continue for several hours. IHSA Policy requires athletes to provide their school with written clearance from either a physician licensed to practice medicine in all its branches or a certified athletic trainer working in conjunction with a physician licensed to practice medicine in all its branches prior to returning to play or practice following a concussion or after being removed from an interscholastic contest due to a possible head injury or concussion and not cleared to return to that same contest. In accordance with state law, all IHSA member schools are required to follow this policy.

You should also inform your child’s coach if you think that your child may have a concussion. Remember it’s better to miss one game than miss the whole season. And when in doubt, the athlete sits out.
