Teacher News

We have had a busy week learning many new things and reviewing a few old things to make connections to new content. The students are adjusting nicely to our daily routine.

We were treated to a band concert, had the opportunity to try out two instruments, and enjoyed exploring energy!

Please remember to join us for open house next Wednesday evening. I look forward to seeing you!

Have a wonderful three day weekend.

Reading/Language Arts:

We finished reading the story: A Visit With Grandpa. We identified the various story elements as well. The first quarter AR point goal is 7 points. Please send in 2 written family recipes with your child by Sept. 3

In Language Arts, we learned about two of the types of sentences: declarative and interrogative.

Math: The main focus of Math this week has been reviewing place and value of numbers through millions. We also took some time to practice our basic math facts and play place value Yahtzee.

Science/Social Studies:

In Science we explored potential and kinetic energy.

In Social Studies we have been learning about various landforms across the US.
