What's New:

New curriculums / lesson plans were written for grades 6th-9th this past summer by the four seminarians the parish hosted. These are written in alignment with the Diocesan stands and guidelines.
Oversight of Faith Formation - Hiedi Touney will have oversight and Brenna Peters will assist.
COVID-19 (It gets its own section!)

Classrooms/Class Sizes –

Rooms have been measured to ensure that students have 3feet area around them
There will be one section per grade
There are two catechists per grade who will co-teach
Spaced utilizes will be 4 rooms, dining rooms split in two and gym split in two
*We anticipate combining grades 7 and 8 due to the low numbers in 8th grade. Curriculum for 7th grade students will be adjusted next year to ensure Diocesan objectives are met.

COVID-19 Protocols –

Mask will be required unless there is a time we are outside and/or able to social distance 6 feet or more.
We ask that all utilize hand sanitizer as they enter the building, or clean hands in the restroom. Hand sanitizer will be available in each classroom area.
As has always been the case, if your child is ill please keep them at home.
What happens if someone from Faith Formation tests positive for COVID-19?
We will follow Webster County Health's guidance in handling such matters and assist them in contact tracing if necessary.
We are currently looking at further mitigation efforts based upon feedback we receive from catechists and parents.
What if we have to "pause" Faith Formation due to COVID-19 positivity rates? Books/materials will be arranged for pick up or drop off so that parents may continue forming their children.

*The burning sands will become pools, and the thirsty ground, springs of water
