

Engraved Paver Tile Ordering Process

The engraved paver tiles provide an opportunity to commemorate your friends and family members. They will be laid around the new columbarium in the Garden expansion area of the cemetery. Your loved ones do not need to be placed in the columbarium to have commemorative paver tile placed here.

Three different sized will be offered:

Size*	Donation
4x8	\$100
8x8	200
12x8	300

Each incremental size provides for additional lettering. We believe the best memorials will be very simple and straight forward.
