

**AUTHORIZATION AND CONSENT FOR VIRTUAL
COMMUNICATION SESSIONS INVOLVING MINORS**

I am the parent or legal guardian of a minor.

In order to ensure transparency and parental involvement, St. Vincent de Paul Catholic Church has created this consent form so that parents and guardians may provide authorization for St. Vincent de Paul Catholic Church leaders to electronically communicate with minors via virtual communication sessions. Such communications must comply with applicable St. Vincent de Paul Catholic Church policies, including restrictions on private communications with minors.

I grant permission for staff or other leaders of St. Vincent de Paul Catholic Church to communicate with My Child electronically via virtual communication sessions. I understand that such communications are for St. Vincent de Paul Catholic Church purposes only and may involve group communications relating to St. Vincent de Paul Catholic Church activities.

This Disclosure, Authorizations, and Consent form is valid for one year.

If I choose to rescind this authorization and consent, I agree that I will inform St. Vincent de Paul Catholic Church in writing and that this rescission will not take effect until it is received by St. Vincent de Paul Catholic Church.
