January 22, 1973—is the day the Supreme Court of the United States issued its landmark decision legalizing abortion in the United States. This sad and somber anniversary can be observed in these ways:

1. **Attend Mass. Here at St. Joseph it is at 8:15 AM. Pray for the legal protection of unborn children and a respect of life through all of its stages.**

2. **Day of Prayer for the Legal Protection of Unborn Children**

This **Wednesday, January 22**, the Church in the United States observes the annual “Day of Prayer for the Legal Protection of Unborn Children.” This day is set aside to pray for the legal protection of human life and to do penance for the violations to human dignity through abortion. We are called to observe this day through prayer and penance. More information: [https://www.respectlife.org/january](https://www.respectlife.org/january).

3. **Healing after Abortion**

If you or someone you know is suffering after abortion, confidential, compassionate help is available. Visit: [www.HopeAfterAbortion.org](http://www.HopeAfterAbortion.org).

4. **Attend the Showing of the Film, “Unplanned”**

The film will be shown at St. Joseph at 6:15 PM, **Wednesday, January 22**, in the church basement. It is the true story of Abby Johnson, who became the youngest clinic director in Planned Parenthood's history. After a life-changing experience, she became an anti-abortion activist.

5. **A Statement by the Bishops of Iowa Regarding an Amendment to the Iowa Constitution**

We support an Iowa constitutional amendment to clarify that a right to abortion is not guaranteed by the State of Iowa Constitution.

The Iowa Supreme Court, in a June 2018 decision, struck down the law requiring a three-day waiting period before an abortion is performed. In pursuit of that decision, the Court claimed that the Iowa Constitution provided for a fundamental right to abortion.

Such a claim is groundless, given that for 115 years the same State of Iowa Constitution served as the basis for a legislative ban on abortion except to save the life of a mother.

The dignity of the human person is the foundation of our moral vision for society. We recognize that each person is created in the image and likeness of God. Hence, direct attacks on innocent persons are never acceptable. This is why abortion is such an important issue.

We believe it is important to make this amendment to the Iowa Constitution. This is a question of the common good. We can help pregnant women in need, the men who fathered those children, and families in distress without recourse to the violence of abortion.
