Christmas Greetings—On behalf of our deacons, parish and school staff, I offer tidings of great joy in celebration of the birth of our Savior. We welcome all who have joined us to worship God, hear his holy word proclaimed from the Bible, and to celebrate the Eucharistic sacrifice of Jesus who bought us back from sin and raises us to new life in him. Merry Christmas to you all! May this be a day of joy, thanksgiving to God and celebration with your family and friends. Without Jesus we are lost. With and in him, we are saved from sin and death and he shows The Way to our home with God in eternity. Let the joyful proclamation of his birth ring out throughout the earth!

Christmas Reflection—Christ the Light entered the world as an infant depending on the protection and care of Mary and Joseph. Many wonder why Son of God would be so vulnerable and dependent upon his human creation. That is a part of the Mystery of the Incarnation we celebrate at Christmas. Another part of the Incarnation is that Jesus knows the human condition, our fears, pains, joys and sorrows. The time he entered the world contained conflict, division, oppression and the lust for power, people and money, behaviors of which span the millennia. We could spiral into a cycle of cynicism, pessimism and hopelessness if we lived by our potential to do harm or to be harmed. But, there’s more to humanity in terms of the capacity for good and the good that has been done through the centuries by many. Sometimes it is not easy to effect the good, but there have been plenty who have struggled and done so. Christ entered all of this when he became incarnate. He wasn’t a great humanitarian or teacher. He is our savior. The way to life is through him, the Light who shines in the best of times and during our darkest hours. He is a person, fully God and fully man, and as such, we can relate to him in a profound and personal way. He saves us from ourselves and from the drama of evil that is playing out in the world today. He is our hope and that for the world beset by complex problems flowing from our brokenness. Jesus is hope for the hopeless, light for the blind and the way for those who falter and stumble. This is a day of hope that spills into eternity. Let our trust be in him who saves us.

New Year’s Eve and Day—occurs on a weekend during which time we will celebrate the Solemnity of Mary, the Mother of God. It is a Holy Day of Obligation for two reasons. One is that every Sunday is a Holy Day of Obligation, and two; this great feast falls on a Sunday. The regular Mass weekend Mass schedule will be observed.

Formation for All
Formation for All is an online program designed to help Catholics of all ages to learn and pray about Respect Life and Social Justice issues. The next session will address the topics of abortion and adoption. In addition to discussing the church’s teaching on the dignity of the human person from conception, it will also discuss the need to support women facing unexpected or difficult pregnancies and promoting a culture of life through adoption. This session coincides with the Feast of Holy Innocents on December 28th as well as the anniversary of the SCOTUS ruling of Roe v. Wade in January. Sessions are designed for all ages and various settings. To access these sessions go to: dbgarch.org/rlsj/formation.

From the Office of Catholic Schools of the Archdiocese Regarding Full and Fair Parental Educational Choice
Full and Fair Parental Educational Choice: A Path to Justice is an article published by the National Catholic Education Association about the important social justice implications of allowing parents to choose the best educational setting for their children. As we prepare for the Iowa legislative session, this article describes the various types of school choice programs. In Iowa we currently have the STO tax credit scholarship program and continue to work with Iowa Alliance for Choice in Education and the Iowa Catholic Conference for a possible Educational Savings Account (ESA) program. More information about school choice efforts can be found at http://www.iowaace.org.

From the Finance Office of the Archdiocese Regarding Recording and Acknowledging Year End Contributions
It is that time of year again when we need to think about the implications of year end gifts. Obviously we must comply with Internal Revenue Service regulations. As nonprofit organizations we are to acknowledge the gifts in the year made. This year end presents a challenge in that December 31 falls on a Saturday, and January 1 on a Sunday. Thus contributions received at Saturday masses should be acknowledged as 2016 contributions and contributions received at Sunday masses as 2017 contributions. Also, contributions received in the mail postmarked 12/31/16 are to be included in 2016 contributions.

Support the Mission of St. Joseph Parish
The parish relies on the generosity of parishioners to maintain and develop high quality staff, ministries, and facilities. St. Joseph parish is committed to being a good steward of its resources. There are two ways to give: 1.) Member envelopes may be used to place cash or check donations in the offering at weekend Masses or may be dropped off or mailed in to the parish offices. 2.) Online giving is now available at www.stjoemarion.org/give. There you may setup recurring donations or give a one-time donation via credit card, debit card, or bank draft. It’s fast, easy, and effective! Please consider making a year-end, tax-deductible gift to the parish. For questions call the parish office at 319-377-4869.

SJCS offers a Safe Learning Environment
St. Joseph Catholic School offers a safe learning environment to all of our students. This includes the reinforcement of safety rules for adults and children. The school has cameras inside and outside the building, a lock-down procedure in place, safety rules for anyone dropping off and picking-up students, and a process for visitors to sign-in and out when entering or leaving the building. This safe learning environment also includes classrooms that are clean, orderly and inviting which encourages students to do their best. Organized classrooms allow for easy movement and collaboration in small groups, and helps students feel comfortable and safe in the area in which they spend most of their time.

A Message from Catholic Worker House
The Catholic Worker House has provided over 7,000 nights of shelter in a home-like atmosphere to over 250 homeless individuals including 85 children during 2016. We have helped find employment, a place to live, and in many cases, clothing and furniture. We were also able to provide emergency overflow accommodations on extremely cold nights, and our volunteers also delivered over 500 food baskets to the homebound in cooperation with Metro Catholic Outreach. Thank you to all our volunteers and supporters: those who bring in family dinners each night, deliver food baskets to our homebound, maintain the house, clean the yard, and provide financial assistance. We cannot do our work without you!
