Fish Dinner Deliveries to the Homebound

Once again Fish Dinner will be provided by your Outreach Ministry during the upcoming Lenten Season. We’re looking for both recipients and participants at this time. Recipients are those parishioners and their caretaker who would otherwise be unable to join their family and friends on Friday night during the Lenten season. Participants are those parishioners who would consider volunteering for less than an hour at 6:00pm helping us deliver the dinners to these local families (show up early, do a good deed, and then join your family for dinner. It’s a win-win!). If you know of someone who would be interested in receiving a hot meal, or if you would like to volunteer to be a driver, please call, text, or email Jim Thomsen at 714-932-5176 jimandcathy@earthlink.net.

“Reaching Out to Our Own and Connecting the Dots” - a Home Visitor testimonial

“My first Home visit was to a Senior Apt complex in Placentia. When I arrived it was getting dark and no one was in sight. I walked around the corridors of the complex and to my avail there were no stairs or elevator to be found. I kept looking and towards the very back of the complex I saw a large room that seemed to be their meeting place. Finally I saw someone in the hall and ask if there was an elevator? He pointed to the front wall and there it was, "An Elevator!" I went up to the 2nd floor and wandered all the way back to the front of the building passing various Christmas door ornaments that spoke or sang to you when passing. My first visit was to an elderly woman. I found her apt and knocked on the door. She answered and was gracious enough to invite me in where we talked for some time about her home situation and family. She had twin daughters, both mentally handicapped, that lived in the same complex. She took care of them by herself. Her simple request of the Parish was for prayers for her two girls." The Catholic Cemeteries is providing a pre-need planning program for Catholic families in Orange County. Family burial arrangements are among the most important and inevitable decisions a Catholic must make. Because of the many emotional and financial savings that result by planning these arrangements in advance of need, the Diocese of Orange urges all Catholic families to learn about their burial options. The apostolic and administrative work of Catholic Cemeteries truly reflects the corporal and spiritual works of mercy.

I thank Bishop Brown for his work with Catholic Cemeteries here, it is my turn now to support the efforts of the Catholic Cemeteries and invite you to ask questions about the information you will be provided.
