Prayer before the Blessed Sacrament is a personal conversation with a living person—the risen Jesus Christ in the Eucharist. It’s as close as we can come in this life to talking face to face with God.

The Catholic Cemeteries is providing a pre-need planning program for Catholic families in Orange County. Family burial arrangements are among the most important and inevitable decisions a Catholic must make. Because of the many emotional and financial savings that result by planning these arrangements in advance of need, the Diocese of Orange urges all Catholic families to learn about their burial options. The apostolic and administrative work of Catholic Cemeteries truly reflects the corporal and spiritual works of mercy.

I thank Bishop Brown for his work with Catholic Cemeteries here, it is my turn now to support the efforts of the Catholic Cemeteries and invite you to ask questions about the information you will be provided.

CONTEMPLATIVES IN ACTION

A Program for Formation in Spirituality and Service

St. Ignatius of Loyola believed that there is an integral relationship between service and reflection. For him, a contemplative in action is a person making an earnest effort to find God in all things — engaging in a concrete process of both service and reflection, wherein reflection is stirred through service, and service is animated by reflection.

Contemplatives in Action is for those who wish to grow in their capacity to live within this constant process.

PROGRAM COMPONENTS

Orientation: This yearly journey begins with an introductory gathering in August, followed by a day-retreat in September. The first retreat involves exploring Ignatian Spirituality, prayer, reflection, and team-building activities.

Monthly Group Gatherings: The group gathers on the third Saturday of the month on a schedule that alternates between spiritual formation and service. These meetings will include various activities, discussions on readings, guest speakers, and presentations from individuals experienced in specific areas of service.

Service Locations: Service opportunities include:
- Lights On: Being present for persons released from prison.
- The Back Bay Science Center: Caring for the environment.
- Crittenton Center: Serving those affected by human trafficking.
- Santa Ana Civic Center: Serving persons who are homeless.

Religious Education Congress: The group will collectively attend the Religious Ed. Congress in March. The cost of registration is not covered in the cost of the program, but fundraising efforts will help offset the cost — hopefully entirely.

Fundraising: The group will use gofundme.com to raise money to cover the costs of the service activities. Any excess funds will be applied to future service activities.

Curriculum: The text for this year of the program is What Do You Really Want? by Jim Manney. Texts are covered in the cost of the program, and will be distributed at the first meeting. Additional materials will be distributed as needed.

Spiritual Direction: Optional spiritual direction is available through LIS.

A Year-Long Commitment, that Could Lead to Much More: One of the goals of the program is to develop a supportive and close-knit group of dedicated participants. The commitment members make to the group will be on a year-by-year basis. Registration closes after the year begins. Registration opens again the following year; this allows experienced members to continue to participate and develop the group, and allows new members to join at a regular interval.

Application and Brief Interview: We’d like to get to know you before the program begins. Please complete the application and schedule a brief interview with one of our team members.

For More Information: If you are interested in the program and open to making this meaningful commitment, we very much welcome your application, and encourage you to contact Bryce Deline, S.J., at deline@loyolainstitute.org to begin the process.
