

St. Dot's Strong!

We gotta wash, wash, wash those hands,

20 seconds and they're clean, Shazaam!

We gotta wash, wash, wash those hands,

We gotta wash those precious hands!!!!

We gotta stay 6 plus feet apart,

That's the distance of two grocery carts,

We gotta stay 6 plus feet apart,

That's the distance we should start!

If you're 12 or older wear a mask,

If you're out in a public place,

Each day there's more officials ask,

I know this all seems such a mess,

But for St. Dot's we will do our best!

So won't you please remember this,

That if God be with us; we can't miss,

Our faith will save us; that will be our song!

Because we're St. Dot's, St. Dot's strong! (3x's)
