

Dear Parents and Guardians,

Below you will find a schedule for our classroom activity "All About Me". Each week we will honor and learn more about one of our Kindergarteners. The student of the week will have the opportunity to share pictures, special items, and new information about him or herself with the class. Your child can use a **standard size poster** to display pictures of his or her favorite things, family, and friends, vacations, sports, activities, etc. The poster should be sent in on the first day of the school week, and will be hung up on our "All About Me" bulletin board for the entire week. There is also an "All About Me" form that should be sent in on the first day of your child's designated week. Please fill out the "All About Me" form that is attached to this paper with your child. This form and the complete schedule can also be located on our class website under All About Me. During your child's special week, you can also send in their favorite (short) book for me to read to the class. The Friday before your child's week, they will be coming home with a couple of special items in his or her folder.

- Materials to make a puppet of Biscuit the dog
- A piece of journal paper - So they can write about their adventures with Biscuit. (The journal will be added to a binder we keep in the classroom.
- There is a video online of me reading the Biscuit books that the children can watch. The link is on our class webpage under the All About Me tab!

Thank you very much for your help with this special project! I am looking forward to learning more about our Kindergarteners and helping them to share their favorite things with their classmates. Please let me know if you have any questions.
