The information contained within is subject to the rules of the Diocese of Lafayette and laws that govern the operation of non-public school systems. Core Values

Faith and Reason
In the Catholic Tradition, Faith and Reason function in harmony where each compliments the other in the search for truth. We strive to create an atmosphere where students are encouraged to articulate a vision of the harmony of faith and reason capable of guiding a life-long pursuit of knowledge and virtue.

Church, School, and Family
In the Catholic Tradition, the three pillars - Church, School, and Family - are foundational supports working together in forming and molding character, intelligence, human and faith formation. All three pillars work as a team in facilitating the development of faith and reason.

The Full Stature of Christ
In the Catholic Tradition, we strive to cooperate with God’s grace in building and shaping ourselves into the “full stature of Christ” (Ephesians 4:13) as a person and as a community whether a church community, a school community, a family community. In striving for the full stature of Christ, we seek to imitate our head, Christ, and be his body working together to build up our society in love (Confer: Ephesians 4).

Responsibility
In the Catholic Tradition, responsibility and right are two sides of the same coin. That is, for the right of an education to be, there is also a responsibility for an education. Every student is responsible to do his or her best in developing skills and in being involved in Church, School, and Family. In adult life, every person is responsible to contribute to the common good so that the common good can do its work.

Anti-Bullying and Hazing Policy (Diocese of Lafayette)

Policy Statement
The intent of this policy is to support our Catholic schools’ commitment to provide a safe learning environment for all students. As we are all created in God’s image and likeness, the Roman Catholic Diocese of Lafayette affirms that all people have inherent dignity. We are called to reflect the values of Jesus in His regard and respect for all people as it is written, “So always treat people as you would like them to treat you; that is the Law and the Prophets.” (Mt. 7, 12). In this way, we build up the Body of Christ within our Catholic schools. Bullying and hazing creates an environment in which dignity and respect are compromised. Therefore, we attest, bullying and hazing have no place in our Catholic schools.

This policy shall apply to all students and shall be in effect while students are on school property, while on school-owned or school-operated/leased vehicles, while attending or engaged in school sanctioned activities, and while away from school grounds if the misconduct directly affects the good order, efficient management, and/or the reputation/welfare of the school.

Prevention/Education
To enhance education, formation, and safety of our students, schools should endeavor to actively promote positive student behavior while prohibiting inappropriate behavior such as bullying and hazing. Therefore, schools operating in the Roman Catholic Diocese are strongly encouraged to:
- Prohibit all forms of bullying and hazing;
- Provide adequate supervision to minimize the risk of bullying and hazing;
- Provide continuing education/professional development on bully prevention for faculty and staff members;
- Develop school-wide bullying and hazing prevention programs to education students;
- Incorporate bullying and hazing prevention lessons into the school’s curriculum

Definition of Bullying
Bullying is a deliberate and malicious pattern of behavior having the effect of physically, psychologically and/or emotionally harming another through abuse, coercion, intimidation and/or threats where the pattern of behavior is sufficiently severe, persistent and pervasive so as to create an intimidating or threatening educational environment to substantially disrupt the orderly operation of the school.

Bullying may be physical or verbal and may be in the form of gestures, writings, electronic transmissions, social media posts, sharing photographs/video or physical acts. Bullying may be in the following forms:
- Gestures (including but not limited to obscene gestures and making faces);
- Name-calling, threats of harm, taunting and malicious teasing;
- Spreading untrue, injurious rumors;
- Disseminating inappropriate or embarrassing photographs or video;
- Hitting, kicking, pushing, tripping, choking, and other physical acts;
- Damaging and/or unauthorized use of personal property;
- Repeated shunning and/or isolation of another from groups or activities.

**Definition of Cyber-Bullying**

Cyber-Bullying is a form of bullying and is defined as the transmission of any electronic textual, visual, written, or oral communication with the malicious and willful intent to emotionally harm, coerce, and/or intimidate. Electronic devices may include, but are not limited to:

- Computers
- Tablets
- Mobile phones
- Other interactive or digital technologies

**Definition of Hazing**

Hazing is the deliberate encouragement, direction and/or participation (active or passive) of any activity which subjects another student to actual or potential physical, psychological or emotional harm, or civil or criminal consequences for the purpose of initiation into, affiliation with, or acceptance by existing members of any school organization, group, or extracurricular activity, whether occurring on or off campus. “Consent” of the victim shall not be recognized as a defense to the school’s prohibition of hazing. Hazing may involve harassment, degradation, humiliation, intimidation, and/or ridicule to an individual or group, willful destruction of public or private property, or criminal or other offensive acts against third parties.

**Reporting**

The principal/designee is responsible for receiving complaints alleging violations of the anti-bullying and hazing policy. All school employees and volunteers supervising school-sponsored functions should report alleged violations of the policy to the principal/designee.

**Investigation**

Once an allegation is made, the principal/designee should promptly investigate the claim as soon as feasible under the circumstances, and may include interviews and a review of any evidence presented and/or discovered.

**Documentation**

Documentation of the allegation, the results from the investigation, and the disposition is to be maintained in the school’s student records of both the perpetrator(s) and the victim(s).

**Notification**

Parents/guardians of the perpetrator(s) and victims(s) are to be notified by the principal/designee.

**False Accusation**
Any student who knowingly makes a false accusation of bullying or hazing is subject to disciplinary action as set forth in this policy.

**Retaliation**
Retaliation against any person who reports bullying/hazing in good faith is prohibited and is subject to disciplinary action as set forth in this policy.

- It has been inspected and found to be in excellent condition.
- It presents no health hazards.
- A School Asbestos Management Plan is kept on file in the school office. It may be reviewed during regular school hours.

Athletic Information

- All student athletes will be held accountable by the St. Edmund Coaches/Athletes Handbook.
- All athletic programs are conducted according to the rules and regulations of the Louisiana High School Athletic Association, the athletic director, and the administration of St. Edmund Jr. /Sr. High School.

Athletic Eligibility

- St. Edmund student athletes know education comes first. Athletic participation is a privilege not a right. This privilege will be awarded to only those who meet scholastic and disciplinary requirements as outlined in the St. Edmund Student Handbook (Pupil Progression Plan and Positive Behavior Support Plan) and St. Edmund Athletic Handbook (LHSAA Basic Rules for Eligibility). Problems with grades and/or behavior are justifiable reasons for academic or disciplinary ineligibility.

- LHSAA rules state that in order for a student to be eligible for athletic participation, he/she must have passed 6 subjects and have a “C” average (2.0 or higher). Therefore, students at St. Edmund High School must:
  1. Meet the standards set forth by LHSAA regarding enrollment, age, and scholastic requirements.
  2. Have passed 6 Bulletin 741 approved high school subjects with a minimum “C” average.
- After each six week period, all student athletic grades will be evaluated for a “C” (2.0) average. If the student grade average is below a “C” (2.0) or if the student athlete has a “D” or an “F” the student will be placed on academic probation, must attend tutorials in that particular subject, and must report
grades weekly to his/her head coach of the current sport. Students who have a “D” or “F” in academics or behavior will not be excused from that class to participate in any extracurricular activities until the next grading period. If the athlete does not show improvement, the coach can suspend the athlete until academic improvement is shown (coaches’ discretion).

- Students must attend four or more classes per day to participate in any extracurricular activity.
- By the end of the first semester, a student must have passed at least 6 subjects that count toward graduation and earned a “C” (2.0) average in all graded subjects pursued in order to be eligible for interscholastic athletic participation for the second semester.
- At the end of the school year and/or prior to the start of the next school year, the grades of the student-athlete will be evaluated again for eligibility purposes. At that time a student must have passed at least 6 subjects that count toward graduation and must have earned at least a “C” (2.0) average in all subjects taken during the school year.

**Athletic Events- Parent/Guardian Participation**

- Parents/guardians are reminded that coaches, whether employees of the school or parent volunteers are to be respected. Confrontation with coaches in public, during games, or after games is inappropriate and in conflict with the school’s stated goal for its athletic program.
- Any suggestions or complaints regarding our coaches or athletic programs should be brought to the school administration.

Implementation

Testing and reporting of results will be conducted as follows:

• Testing will be performed by an independent agency.
• Steps will be taken to confirm any positive results.
• Results of testing will remain confidential and will be reported to a pre-assigned medical review officer.
• Parents/guardians will receive positive test results.
• The administration will be notified as outlined in Procedure for Positive Results.
• Students testing positive will be subject to procedures set forth in Part III.
• Faculty, administration, auxiliary staff, and advisory council members testing positive will be reported to the school advisory council president.

Procedure for Positive Results

In an ongoing effort to work with students who test positive for illegal drugs or chemical substances, these procedures will be followed, and it will be handled as discretely as possible:

A. First Positive – The testing agency will notify school administration. Once the representative of St. Edmund School is notified and the test is confirmed as positive, the person notified will contact the parents/guardians of the student to report the positive finding and recommend that they seek counseling for the student, and the student will have a 2-day suspension.

B. Second Positive – A student will normally be required to enter and complete an inpatient or outpatient substance abuse program.
   ➢ At the time of a second positive result, the testing agent will notify the principal, who must approve the program entered by the student. Student will have a 2-day suspension
   ➢ Upon satisfactory completion of the program, the documented assessments, past student records, and student/family attitude and cooperation will be used to determine continuance at St. Edmund School.

- The nurse will immediately contact the parent/guardian.
- General rule of thumb: “Err on the side of Caution”!

Grievances

1. Teacher
2. Principal
3. Pastor
4. Per Diocesan Policy, when a parent/guardian of a student at St. Edmund Catholic School believes that a rule, regulation, or policy has been violated, misapplied, or misrepresented and the parent/guardian has not had the problem satisfactorily resolved at the school, an appeal may be made to the local advisory council.
5. Local Appeal: If a parent/guardian is not satisfied and has followed steps 1-3 listed above, the parent/guardian must notify the advisory council within 5 working days. The written appeal should briefly provide details and specifically cite the rule, regulation, or policy that is involved in the situation. If the pastor believes, after consultation with the advisory council executive committee, that the appeal should be referred to a local grievance committee, then he will appoint such a committee. If it is decided that the appeal does not merit a formal review, the parent/guardian will be informed of that fact and the case is closed at the lower level.
6. The final decision at the local level resides with the Pastor.

An integral part of the educational philosophy of St. Edmund Catholic School is the conviction that the school assists the parents/guardians in carrying out their primary responsibility of providing for the religious and secular education of their children. An ongoing, positive working relationship between the parents/guardians and the school is critical to the success of the school and the students.

While St. Edmund Catholic School encourages the constructive exchange of ideas, feedback and suggestions intended to foster the continued growth and improvement of the school, St. Edmund Catholic School is ultimately responsible for the orderly administration and operation of the school, including the policies and procedures implemented to achieve the school’s goals. St. Edmund Catholic School reserves the right to terminate the enrollment of any student(s) in the event that it is determined by the school’s administration that

1. A positive working relationship between the school and the parents/guardians no longer exists and/or is irreparably damaged or
2. The parents/guardians have failed to provide the support, assistance and example necessary for the religious and secular education to which each child is entitled.
Furthermore, failure on the part of any student and/or parent/guardian to abide by the rules, regulations and policies as outlined in the school handbook may result in termination of the student’s enrollment from the school.

- Should the parent/guardian/teacher conference not satisfactorily resolve the problem a conference with the administration will be scheduled.

Grading Policies

- Grades will be rounded up; ie: 65.50 will be 66; 73.50 will be 74; etc.
- In Pre-K and Kindergarten grades used are: E= Excellent; S=Satisfactory; N=Needs improvement; and U=Unsatisfactory
- In grade one and above, traditional letter grades will be given in all subjects. Six-week grades will be calculated by dividing the number of points earned by the total number of possible points. Averages will be no greater than 100% in RenWeb.
- Students suspended from school will be required to make up graded work not to exceed 60% of the total possible points.
- Grades will be posted to RenWeb within 5 school days of the test or due date of an assignment for parent access.
- When a student is absent, the time allowed for make-up work/tests will be equal to the number of days the students missed. Example: If a student missed 2 days of school, then the student is allowed 2 days to make-up the work/tests. If the student does NOT make up the work/tests within the time frame, then the student will receive a 0.
- In regards to late work, in grades 6-12, students’ assignments are to be turned in on the expected date and time set by the teacher. If a student turns in the assignment at the end of the day on the due day, 5 points will be deducted from the grade. If a student turns in the assignment 1 day after the due date, 10 points will be deducted from the grade. If the assignment is turned in 2 days from the due date, 20 points will be deducted from the grade. On the 3rd day the assignment is late, the grade becomes a 0 and cannot be made up.
- A minimum of 600 points per six week period are required. In the elementary grades, science and social studies will be a minimum of 400 points due to the fact that instruction time is less than other subject areas.
- In grades 1-12, in order to help students reach their full potential, a failing grade in any subject at the end of the grading period will be no lower than a 50, if all work has been completed and turned in on time, which includes but is not limited to, class work, homework, projects, papers, participation, attendance, make-up work, and attending tutorials. The gradebook will reflect the students’ exact grade on the tests. The report card will show the 50.
- If 50% or more of students fail a test, the test will be disregarded. The material will be re-taught using a different approach and students will be re-tested.
- In grades 6-12, every 3 week period, teachers will assign tutorials to all students with D or F averages in any subject. The teacher will inform the student and email the parent regarding the assignment of the tutorials. In the event that a student does not show up to tutorials, the teacher will email the student’s parent to inform them.

Comprehensive Exams

- Grades 6-8 will be given comprehensive exams at the end of each 6 week period in core subjects only. These exams must be a minimum of 100 points each.
- Grades 9-12 will be given a mid-term exam and a final exam. Each of these exams will be worth a minimum of 100 points each. The mid-term exam will be given at the end of the 3rd 6 week period and will
be averaged into the 3rd 6 week period grades. The final exam will be given at the end of the 6th 6 week period and will be averaged into the 6th 6 week period grades.

- The mid-term exam will include material taught from the beginning of the school year up until the exam. The final exam will include material taught from the 4th 6 week period up until the exam.

**Accelerated Reading**

- In first grade, students will begin the year by reading books and taking Read-Aloud AR tests. AR is not counted for a grade in 1st grade.
- In grades 2-8, each grading period, each student’s 2 highest AR grades will be averaged using the % given by AR and be counted as one 50 point Reading grade per 6 week period. Students must take a minimum of 2 AR tests per six week period. Students may retest at the discretion of the teacher.
- In grades 2-8, students will be able to take any amount of AR tests during each grading period, only on books within their ZBD (Zone of Proximal Development) range which will be determined by each student’s STAR test results.
- In grades 1-8, if a student reaches the point goal for the grading period of his/her grade level, he/she will receive a free dress day at the end of that grading period.

**6th - 12th Grade Health and PE**

In conjunction with Bulletin 741, “A minimum of 30 hours of health instruction shall be taught in each of the two required health and physical education units.” Additionally, “Cardiopulmonary resuscitation (CPR) is required.”

All grades for ALL physical education classes will follow the following format:

student’s un-weighted cumulative GPA. The cumulative un-weighted GPA is listed on a student’s
high school transcript record.

d. In accordance with the Diocese of Lafayette and the State of Louisiana, a transcript of a student
failing a course will show both the failing course grade and the passing course grade. Both grades
are calculated into a student’s grade point average (GPA) on the high school transcript of record.
The failing course grade is not deleted and replaced with the passing course grade from summer
school.

e. The Legislature of the State of Louisiana sets the calculation for the TOPS GPA. The current policy
states in the case of a student failing a course, when a course is repeated, TOPS GPA is calculated
using the highest grade. This is done before final GPA calculations and evaluation of transcripts in

**PRE-REQUISITES FOR HONORS COURSES**

Honors Courses proceed at a faster pace and cover material more in depth than regular classes. They are academically more challenging and rigorous.

In order for a student to enroll in an honors course, the student must have:

- All A’s and B’s each 6 weeks period in the core subject course taken the previous year, with the exception of Chemistry (H) – all A’s and B’s in Physical Science
- If a student’s end of the year grade in an honors course is a C or below, then the following year, the student will be enrolled in that course’s regular section.
- Physics Honors requires math proficiency and enrollment in Pre-Calculus Honors concurrently is required.
- Enrollment in an honors course is a one year commitment. Schedule changes can only be made within the first two weeks of the first day of school. A student can choose to enroll in regular course sections the following school year.

**GRADING FOR HONORS COURSES**

- 2 percentage points will be added to each 6 week period’s average on the report card
- The addition of the 2 percentage points will occur only if the 6 week period’s average is 70 or above
- The average cannot be greater than 100
- No additional percentage points will be added to the final end of the year average
Benefits to taking Honors Courses:

- Greater work load allows students to become more prepared to deal with intense situations and become more confident in handling difficult tasks
- Prepares students for transition from high school level course work to college level course work
- Some entities giving scholarships take into consideration whether or not students took honors courses when making scholarship offering decisions.
- Admission factor for selective colleges and universities
- Some colleges and universities are more discerning for admission to students who took honors courses

DUAL ENROLLMENT COURSES

- Courses offered for dual credit stem from agreements between high schools and universities or colleges, whereby a student enrolls in a college course and simultaneously earns college grades and credit in the college course and high school grades and credit in the high school course. St. Edmund has an agreement with LSU-E to provide dual enrollment courses to students. Students must meet LSU-E minimum criteria to enroll in dual credit courses.

- All dual enrollment grades are included on all future college transcripts. Dual enrollment students must follow all guidelines, including those for plagiarism, student dishonesty, and prerequisites, as set by LSU-E. College grades earned in dual enrollment courses will be used by other programs, including TOPS, to determine continuing eligibility for those programs.

- LSU-E’s policy for continued enrollment states that in order for a student to continue enrollment in subsequent semesters/terms, a student must have successfully completed (earned a college grade of A, B, C, or P) current dual credit courses. Students who earn grades of D, F, or I from a course may not enroll in the following semester or term.

- Parents and students are responsible for all fees associated with the college credit. Dual enrollment tuition and fees are set by LSU-E, usually just prior to the start of the school year. Tuition and fees are paid directly to LSU-E. LSU-E will mail a fee statement to the student’s home address. Students will receive their LSU-E student IDs and passwords in the mail. It is important for this letter to be kept safe on file at home because the IDs and passwords will be used for all dual enrollment courses a student chooses to enroll in.

- Course availability, criteria, and tuition and fees are subject to change each semester. The Board of Regents can make changes to criteria for student eligibility at any time.

- Prior to enrolling in a dual enrollment course, parents and students should review the curriculum plan of the chosen major field of study at the college or university the student intends to enroll in to pursue their post-secondary education to ensure the course is required. An academic advisor from the college or university should be consulted with. In the event that a student chooses a different major field of study or chooses to attend a different college or university, there is a possibility that
some dual enrollment courses taken may not be required or may not fulfill course requirements under the new curriculum plan. Mr. Patton Griffith, Manager of LSU-E Dual Credit Program, is assigned as all dual enrollment students’ academic advisor and should be consulted with for assistance with courses.

*****The Administration reserves the right to add to or to reduce the severity of the punishments as the situation warrants.

- All students need to be aware that conduct grades are part of a student’s academic performance. Points are deducted for behavior occurring in the classroom only. Conduct grades of a “C” or below will keep a student off academic honor roll.

- Disciplinarian Managed behaviors result in 1 day of suspension. Every additional suspension adds a day, not to exceed a total of 3 days at a time, per Diocese Policy. The student will be referred for expulsion on the 4th suspension.

- SECS prohibits any unauthorized student use, possession, sale or distribution of alcohol, tobacco, controlled substance, imitation controlled substances, any over-the-counter and/or similarly harmful substances, or drug paraphernalia. These actions are prohibited in any school building, or on any other property owned or operated by St. Edmund School or Booster Club, or at any school sponsored activity, or in any vehicle owned by the school to transport students to or from an activity, or in any vehicle owned by students or parents used to transport students to any practice or event. These prohibitions apply whether or not the actions occur during regular school hours and/or while wearing clothing representing St Edmund. Texting and/or posting these prohibitions on any social media site is also prohibited.

All behaviors occurring before school, during lunch, in the hallway, in the bathroom, in the cafeteria, after school, etc. will be referred to the homeroom teacher for conduct deductions.

In an attempt to deter negative behaviors, a positive incentive plan has been established that includes:
1. Daily affirmation of positive behaviors by teachers and administration.
2. Weekly reinforcement of positive behaviors in the form of Blue Jay Bucks.
   Example: Students with no conduct deductions receive Blue Jay Bucks (1 per week and additional bucks may be earned)
3. Monthly incentives per class, grade levels and school wide as rewards for accumulation of Blue Jay Bucks.
   Example: 2 Blue Jay Bucks = 1 free homework pass

*The Administration reserves the right to add to or to reduce the severity of the punishments as the situation warrants.*

- All students need to be aware that conduct grades are part of a student’s academic performance. Points are deducted for behavior occurring in the classroom only. Conduct grades of a “C” or below will keep a student off academic honor roll.

- Tier 2 behaviors result in 1 day of suspension. Tier 3 behaviors result in a 2-day suspension. Every additional suspension adds a day, not to exceed a total of 3 days at a time. Students will not be allowed to participate in extra-curricular activities, including practices and games while suspended. Students suspended from school will be required to make up graded work not to exceed 60% of the total possible points.

- The student will be referred for expulsion on the 4th suspension.

- SECS prohibits any unauthorized student use, possession, sale or distribution of alcohol, tobacco, controlled substance, imitation controlled substances, any over-the-counter and/or similarly harmful substances, or drug paraphernalia. These actions are prohibited in any school building, or on any other property owned or operated by St. Edmund School or Booster Club, or at any school sponsored activity, or in any vehicle owned by the school to transport students to or from an activity, or in any vehicle owned by students or parents used to transport students to any practice or event. These prohibitions apply whether or not the actions occur during regular school hours and/or while wearing clothing representing St Edmund. Texting and/or posting these prohibitions on any social media site is also prohibited.

- All behaviors occurring before school, during lunch, in the hallway, in the bathroom, in the cafeteria, in mass, after school, etc. will be marked on the Discipline Card.
• Discipline Card
  o Will be used for behaviors that happen outside of the classroom.
  o A new one will be issued each six-week period.
  o Monitored and tracked by the Homeroom teacher.
  o 4th offense on the card will result in an In-School Suspension.
  o 5th offense and beyond will result in an Out of school suspension.
  o If a card is forgotten or lost, the student must buy a new one for $5.00 and are ineligible for entering the card in the drawing.
  o On the 3rd time the card is forgotten or lost, the student will be assigned detention.
  o On the 4th time the card is forgotten or lost, the student will be assigned In-School-Suspension.
  o On the 5th time the card is forgotten or lost, the student will be assigned Out-of-School Suspension.

Positive Behavior Incentives

In an attempt to deter negative behaviors, a positive incentive plan has been established that includes:
  1. Daily affirmation of positive behaviors by teachers and administration.
  2. A Discipline Card replaces Blue Jay Bucks.
  3. An unmarked Discipline Card, allows a student to enter in a drawing for prizes at the end of each six-week period.
