Reading Camp
Back by popular demand…we have one more week of reading camp being offered this summer!!!

Does your child love reading? Does your child struggle with reading? Do you want your child to learn different strategies for reading? If you answered yes to any of these questions then this camp would be a perfect match!

Students who just completed grades 3-6 are allowed to enroll in this fantastic opportunity to sharpen their reading skills. During this week, students will do an in-depth analysis of a 2018-2019 Sunshine State Book, while learning different strategies for reading fiction.

The book we will read is The Great Treehouse War, by Lisa Graff, a 2018-2019 Sunshine State Young Readers Award Book for grades 3-5

Author Biography: Lisa Graff (www.lisagraff.com) is the critically acclaimed and award-winning author of Lost in the Sun, Absolutely Almost, A Tangle of Knots, Double Dog Dare, Sophie Simon Solves Them All, Umbrella Summer, The Life and Crimes of Bernetta Wallflower, and The Thing About Georgie. Lisa Graff’s books have been named to more than forty state award lists and have been touted as Best Books of the Year by booksellers, teachers, and librarians. A Tangle of Knots was long-listed for the National Book Award in 2013. Lisa Graff lives with her family just outside of Philadelphia. Follow her on Twitter @LisaGraff.

Background on book: Winnie’s last day of fourth grade ended with a pretty life-changing surprise. That was the day Winnie’s parents got divorced and decided that Winnie would live three days a week with each of them and spend Wednesdays by herself in a treehouse between their houses, to divide her time perfectly evenly. It was the day Winnie’s seed of frustration with her parents was planted, a seed that grew until it felt like it was as big as a tree itself.

The Great Treehouse War is a 5.4 book level and is worth 5.0 AR points.
