## Guidelines for Aftercare

As we begin our school year under extraordinary circumstances, listed below are guidelines which will be enforced for the safety of our students. It is imperative that you please review with your child(ren). Thank you.

1. When aftercare is held inside, all students must wear a mask.
2. Toys, games, cards and such are not to be brought in from home.
3. Students must supply their own pencils, crayons and paper. No sharing.
4. Aftercare activities may include indoor/outdoor ball playing (depending on size of group).
5. It is highly encouraged to bring all homework materials, including reading books.
6. There will be no snack room available at this time. Please make sure your child has one provided.
7. Parents/guardians picking up students must wear a mask.
8. Parents will be notified if child is not feeling well and must be picked up immediately.

Measures are in place to sanitize areas that the children will be in contact with (door handles, desk tops, activity balls...)

Please note, as the mandates for this disease evolve almost daily, the above guidelines will be adjusted accordingly via RenWeb communications.

We look forward to returning to some normalcy. Thank you for your understanding and support as we continue to strive to make good things happen here at St. Helen Catholic School.

Karen Santangelo  
Aftercare Coordinator
