PARENT / STUDENT HANDBOOK

2019 - 2020

“I am the vine and you are the branches, he who abides in ME and I in him bears much fruit”

John 15:5
Dear Parents and Students,

Welcome to Assumption Catholic School! In choosing Assumption you have demonstrated a commitment to the values and philosophy of a Catholic education. We consider it a privilege to work with parents in the education of children because we believe parents are the primary educators of their children. Therefore, it is your right and your duty to become the primary role models for the development of your child’s life---physically, mentally, spiritually, emotionally, and psychologically. Your choice of Assumption involves commitment and exhibits a concern for helping your child to recognize God as the greatest good in his/her life.

Once you have chosen to enter into a partnership with us we trust you will be loyal to this commitment. During these formative years, your child needs constant support from both parents and faculty in order to develop his/her moral, intellectual, social, cultural, and physical endowment. Neither parents nor teachers can afford to doubt the sincerity of the efforts of their educational partner in the quest of challenging, yet nourishing, the student to reach his/her potential.

The Parent/Student Handbook reflects the policies of Assumption Catholic School for the 2019 - 2020 school year. Please read this document carefully and sign the attached agreement. This agreement states that you intend to abide by the policies of Assumption Catholic School during the 2019 - 2020 school year.

Changes or additions that were not in last year’s handbook are in green.

The faculty and staff of your school look forward to working with you to promote academic excellence and spiritual development in the context of the teachings of the Catholic Church.

Together, let us pray that God, who has begun this good work in us, may carry it through to completion. Let us begin this year with a commitment to partnership as we support one another in helping your child to become the best person he/she is capable of becoming.

God bless,

Mrs. Maryann Jimenez          Mrs. Jennifer Churchill
Principal                    Assistant Principal

Assumption Catholic School is located on the campus of Assumption Catholic Church near downtown Jacksonville. Assumption school serves students as young as 6 weeks through 8th grade under the Diocese of St. Augustine. The curriculum stresses academic achievement within a Christian community where the child feels that he/she is loved and respected by his/her peers as well as the teachers. United with each other in meaningful liturgy and prayer, the students can further come to an understanding of the Christian life. At Assumption School, we strive to "teach as Jesus did."

The Diocesan curriculum guidelines are followed for the teaching of all secular subject areas. The curriculum is marked by current content and fresh approaches to methodology. There is emphasis on principles rather than fact, on learning through problem solving rather than by precept. We strive to offer a program which makes use of many sources of reading material, a wide variety of audio-visual and technology tools, and a multi-text approach to the content areas. The students are allowed to grow and learn at their own pace with programs like Accelerated Reader. Students are assessed using a variety of curriculum based measures, STAR reading and math tests, DRA’s, teacher observations and through formal Terra Nova testing each year.

**HISTORY**
The parish of the Assumption of the Blessed Virgin was established on the south bank of the St. John’s River in the autumn of 1913. The first Mass was offered in a rented store.

The original Assumption School was constructed at the corner of Gary and Naldo Streets in 1923. This first school was quite small and accommodated 110 students. Classes were taught by the Sisters of St. Joseph of St. Augustine.

In 1948, while Father James Cloonan was pastor of the parish, land was purchased on Atlantic Boulevard. The existing building on the property, which was formerly the Merrill-Stevens Shipyard Administration Building, was converted into a school. This new Assumption School opened in September 1949 with 317 students. It also operated under new leadership provided by the Sisters of St. Dominic from Adrian, Michigan.

In 1954, the Florida State Road Department acquired the property on Gary Street, and, in 1955, the present Assumption Catholic Church was built on property adjacent to the school. The growth of the parish and school continued, and, in 1958, the convent was constructed making space available for six additional classrooms.
In 1965, under the leadership of Monsignor Harold Jordan, the fifth through eighth grade classrooms were built along with the Parish Hall. These additional buildings allowed the school to convert the old auditorium into a library and media center.

Monsignor Eugene Kohls became the Pastor in 1977. During his time at Assumption, a new Activity Center was built freeing the Parish Hall for school use. A preschool for three and four year olds was implemented, and, in 1996, the original school building was completely renovated and updated.

Father Fred Parke became Pastor of Assumption in 2002. Shortly after coming to Assumption, he began the Heritage and Horizons building campaign. Through this campaign, the middle school and Early Childhood Learning Center were built. In addition, Father Fred led the way in bringing the Sisters Home of the Mother to Assumption as well as the Adoration of the Blessed Sacrament. Students are now able to learn from the Sisters each week, during liturgical events, and in school retreats. They are also able to visit the Blessed Sacrament throughout the school week. It is because of Father Fred’s leadership and initiatives that Assumption is truly a community who is “united in the Eucharist.”

Fr. Jason Trull became pastor on July 1, 2019. He is a native son of Assumption. His family have been members of the parish since the church was on Gary Street. He is a member of the Assumption Class of ’88 and Bishop Kenny Class of ’92. Fr. Jason has been a priest for 17 years and a pastor for 14 and looks forward to many years of ministry at Assumption.

The Florida Catholic Conference first accredited Assumption in 1973 as one of the original schools to receive accreditation. The school has maintained this accreditation status up to the present day.

The Assumption faculty and administration have also changed dramatically since the school started. In the early years of Assumption from 1923-1969, the principal and teachers were primarily nuns. Sister Patricia Eileen Consier was the last principal who was a nun. Since 1977, the principal has been a lay Catholic. Today, the teaching staff and principal are mostly lay Catholics.

In the fall of 2006, Assumption was blessed with four Sisters from the Home of the Mother. Although they are not a “teaching order”, they do add a special dimension to our faith formation and spirituality. They visit the classrooms each week and have added two days of retreat and recollection to our school year. They help ensure Christ is the center of every aspect of education, religious formation, growth, and character development. As part of Assumption’s mission, the school strives to ground students in the principles of the Gospel:
peace, brotherhood, love, patience and respect of others. These virtues are practiced and modeled by members of the school community every day.

In conjunction with Assumption Church, Assumption Catholic School is blessed with the addition of the Early Childhood Learning Center. The center offers full day, half day, and part time programs for infants through preschool. The center originally began as a nursery nearly 20 years ago that served the children of teachers and staff. We are thrilled to share this blessing with the rest of our Christian community and look forward to providing a whole child approach to education with these little ones!

Mrs. Maryann Jimenez began her years in Catholic education by first attending Assumption Catholic School and then San Jose Catholic. She then fulfilled her high school years at Bishop Kenny before heading off to Florida State University. As a summa cum laude graduate of the University of North Florida, Mrs. Jimenez began her teaching career in Duval County Public School. After working for three years at Richard L. Brown Elementary, Mrs. Jimenez began teaching 3rd grade at Assumption in 2010. It was during this time that she began work towards her Master’s Degree in Educational Leadership through Saint Leo University graduating in December of 2014. During her degree completion, Mrs. Jimenez began serving as one of Assumption’s Assistant Principals in 2013. Mrs. Jimenez became principal of Assumption School in 2015 and continues to lead our school into the future.

Mrs. Jennifer Churchill is a graduate of both Assumption Catholic School and Bishop Kenny High School. She received her Bachelor’s degree in Psychology with a minor in Child Development from Florida State University. Shortly after graduating, Mrs. Churchill began teaching in the Diocese of Saint Augustine at Holy Rosary Catholic School. There, she began her career in administration as she earned her Master’s Degree in Educational Leadership from Saint Leo University. Mrs. Churchill became assistant principal of Assumption School in 2015.

Assumption is one of the oldest parochial schools in Jacksonville. The Assumption community looks forward to the future knowing that the school has been built on a solid foundation with principles and values that remain unchanged in an ever increasing, changing society.

**PHILOSOPHY**
The philosophy of education at Assumption Catholic School follows the guidelines of the Education Department of the Diocese of St. Augustine. Our curriculum is designed to provide each child with an opportunity to realize the threefold purpose of Christian education: message, community, and service. In addition to forming students who are creative and adaptable, we work to build in them a real concern for the welfare and dignity of all people.
BELIEFS
We believe;
• Each student is a unique child of God!
• Catholic education is our Church’s mission to proclaim the gospel message of Jesus, to build faith communities and to serve others without distinction.
• A Catholic School’s priority reflects the integration of our Catholic faith and values with student learning.
• A safe environment promotes learning and success of every child.
• Success of student learning is derived from knowledge that each child learns in a different way on different days.
• The Pastor, Associate Pastor, Sisters, principals, teachers, students and parent advisory organizations, and all members of the Assumption Catholic Community share responsibility for the mission of the school.
• A rigorous learning environment cultivates a student’s intellectual and social growth.
• Students and staff are committed to creating a Christ-like learning environment where respect for all is lived out daily.

WHAT SHOULD A GRADUATE LOOK LIKE?
A Catholic school graduate is a knowledgeable, compassionate individual, dedicated to service and able to face the challenges of the future with faith, hope, and love.

ATTENDANCE

ABSENCES
A minimum attendance requirement of 37 days per grading period should be maintained to qualify a student for a passing grade for that quarter. This includes excused or unexcused absences.

Parents will be notified upon the fourth absence of the student within a quarter. After the sixth day of absence, official written notification will be sent to the parents requesting their cooperation in preventing further absences.

Under conditions that warrant special consideration, the administration will make the final decision after meeting with the parents and teachers.

Students must be fever free (temperature of 100 °F or lower) for 24 hours without medication before returning to school. If your child has a temperature of 100 °F or higher, parents will be notified and asked to pick up the child immediately. Students with vomiting must stay home for 24 hours or until free of vomiting for 24 hours without medication. Students who are sent home during the school day with a fever or from vomiting will not be allowed to return to school the next day as this would not allow for the 24 hour protection of the entire school community.

Please email Mrs. Bowman at kbowman@assumptionjax.org to let her know your child will be absent for the day and why.
Absences will only be excused if the date(s) absent are verified by a doctor in the form of a signed letter/note from a doctor’s office. A doctor’s note must be brought to the front office upon the student’s return. These letters/notes will be retained for one year.

Missed assignments are the student’s responsibility. Students will receive missed assignments from their teacher when they return to school. Arrangements for regular classroom tests missed because of an absence are to be made with the individual teachers. Students who are absent have one day for each day of absence to make up the missed assignments, quizzes or tests. For example, a student who was absent three days would be given three school days to complete the missed work.

When a student is absent for **three or more days due to illness**, a parent may call the school office before 9:30 AM to arrange for homework assignments. Homework assignments may be picked up at the school office between 3:00 PM – 3:30 PM.

Teachers are not required to give make-up tests or assignments for absences prior to the date of the absence.

**ABSENCES DURING THE SCHOOL DAY**
Students needing medical appointments during school hours must be signed out by a parent in the front office. If the child returns to school during the same school day, he/she must be signed back into school in the office. Students who are away from school for an appointment for 3 ½ hours or more will be counted as absent for ½ a day.

**ARRIVAL**
The school doors are opened for students at 7:00 AM. All students in grades K - 8 should be dropped off behind Jordan Hall near the Family Center/Gym UNLESS it is raining, at which time the doors to Jordan Hall will be opened and the cars will be stopped along the covered walkway. Parents may also walk their children in to school by using one of the two designated crosswalks. Please follow all directions of car line attendants as cars have the right of way.

**Front Parking Lot**
Only those families visiting the front office should park in this small parking lot.

**TARDINESS**
Students are required to be in the classroom by 7:55 A.M. Excessive tardies will have a direct impact on a student’s academic evaluation and promotion to the next grade. After a student has reached six tardies, the parent will be notified by the school to discuss any issues or concerns that may arise from the tardies. After ten tardies, families will be required to pay $5 per child for each additional tardy in a quarter.
DISMISSAL
All cars must display the car tag with their family’s name in the front windshield of the car. Car tags are distributed to students from the school office on the first day of school. Students in yellow carline will be dismissed at 2:40. Students in green carline will be dismissed at 2:50. Students in blue carline will be dismissed at 2:55. Please enter yellow and green carline by turning right into the drive directly in front of the church. Please enter blue carline by turning right into the parking lot behind the church. On Wednesday yellow/green carline dismisses at 1:30 and blue carline dismisses at 1:35.

Students walking home or being picked up in any area other than what is designated to their grade level must have a note on file in the office. Students may not walk to Bishop Kenny unless accompanied by a parent/guardian or a sibling that is 16 years or older. The Bishop Kenny sibling must walk to Assumption to pick up his/her younger sibling.

• Parents are asked to pay close attention during the drop-off and pick up process. NO CELL PHONES may be used in car line.
• Please follow the traffic directions from the school employees on duty. Cars have the right of way to help with traffic flow.
• Homeroom teachers should be advised in writing if a child is to go home in a different car or by a different means on a given day. Students must have written permission from the parent via email or a signed note in order to ride home with another student.
• Students arriving after 7:55 are considered tardy and must check in at the main office.
• Students not picked up by 3:10 will be sent to after school care. Parents will be charged accordingly.

RETURNING TO SCHOOL AFTER DISMISSAL OR STAYING ON CAMPUS
Students are not permitted to return to the school building after dismissal unless accompanied by a teacher. Students who choose to return to school after dismissal without a teacher or are found on campus after school unsupervised face a minimum of detention. Students attending sports games as a spectator after school must be picked up from school by a parent and then accompanied by a parent for the entirety of the game(s). Student may not be dropped off and left unattended.

HEALTH and SAFETY

ACCIDENT INSURANCE/PROCEDURES FOR SUBMITTING CLAIMS
If your child is injured during school hours, an accident report will be filled out by the teacher who was supervising your child at the time. A “Notification of Injury” will be filled out and signed by both the teacher and parent along with the accident report.
CHILD ABUSE LAWS
Assumption Catholic School abides by the Child Abuse laws of the State of Florida. This law mandates that all cases of suspected abuse and/or neglect be reported to Child Protective Services.

CRISIS PLAN
Assumption Catholic School has implemented a “crisis plan” in case of a lockdown emergency. All teachers and staff are aware of the procedure to follow to keep your children safe. In the event of such an emergency an e-mail and/or text will be sent to parents to notify them of the events.

CAMPUS SECURITY
Assumption Catholic School is completely gated with buzzer and video access only to enter the school. The entrances are via the front office, a side gate, and a back gate. The only way to enter any of these locations is to be buzzed in by the front office. Visitors may only enter the campus through the FRONT OFFICE where they must sign in and get a visitor/volunteer sticker.

CHILD PROTECTIVE INVESTIGATIONS
Florida law provides that any person who knows or has reasonable cause to suspect that a child is abused by a parent, legal custodian, caregiver, or other person responsible for the child’s welfare must report such knowledge to the Department of Children and Families (DCF). The school will cooperate with all child protective investigations by DCF or the local law enforcement agency. Reports should be made to Florida’s Department of Children and Families by calling the Abuse Hotline at: 1-800-96-ABUSE (1-800-962-2873). Child protective investigations by DCF or local law enforcement agencies sometimes include interviews of students at school and may occur without advance notice. When it is reasonably possible, the school will request of the investigator that the school be allowed to notify the parents that their child has been asked to participate in a child protective investigation. The school may also request the presence of a school staff member during investigative interviews on school property. However, the school will follow the direction of the investigator with respect to these requests.

EMERGENCY DRILLS
State Law requires that fire drills be held monthly. The procedures are:
1. Rise in silence when the alarm sounds;
2. Teacher closes windows and doors;
3. Walk to the assigned place briskly, in single file at all times, and in silence;
4. Stand in a column of two’s, facing away from the building;
5. Return to building when signal is given.

Tornado drills are held periodically. The procedures are:
   1. Rise in silence when the alarm sounds;
   2. Walk briskly to the assigned place in single file;
   3. Sit, face wall, and put hands over head;
   4. Return to classroom when signal is given.

**HARASSMENT AND DISCRIMINATION**
Assumption Catholic School is committed to providing an environment that is free of discrimination and harassment. In keeping with this commitment, the school will not tolerate harassment or discrimination on the basis of a person’s protected status, such as gender, color, race, ancestry, national origin, age, physical disability, mental condition, marital status, veteran status, citizenship status. All employees, faculty members and students are protected under this policy. In addition, this policy applies to all conduct occurring on school grounds, at assignments outside the school, or at school-sponsored events.

All students are responsible for helping to assure that any harassment or discrimination is reported. If a student witnesses or learns of any conduct that violates this policy, the student must immediately report the incident to his/her principal. If, however, the principal is the individual who is believed to have engaged in the inappropriate conduct, the student should notify the Superintendent of Schools of the Diocese of St. Augustine. If an investigation reveals that inappropriate conduct has occurred, the school will take corrective action based on the circumstances.

**PARENTS AND VISITORS ON CAMPUS**
At Assumption Catholic School, we work in partnership with parents to enable each child to develop as an independent learner. Parents should allow their child(ren) to enter the school building on their own each morning.

If parents decide to park and walk students onto campus they must use the designated crosswalks and allow cars to have the “right of way”. Parents should also be mindful that important morning procedures between the students and teacher occur before 7:55. Parents walking their child to the classroom should quickly drop the child off. This is not an appropriate time to conference with a teacher. All parents must be off campus property once the school bell rings at 7:55.

School visitors (volunteers, parents, etc.) must come through the front office, sign in, write the purpose of the visit to campus in the “Visitor Log”, receive a badge, and sign out from the front office upon the closing of the visit. Parents may only come onto campus during the
school day to attend lunch with their child during the regularly scheduled lunchtime or to attend a pre-scheduled service opportunity, event, or parent/teacher conference.

Parents who volunteer to serve lunch or who volunteer in another capacity in the school may not drop in to a classroom to see their child during the day. This is an interruption to the teacher and to the educational process.

### AFTER SCHOOL CARE

Assumption School offers an After School Care Program beginning at 3:15 PM (2:00 PM on Wednesdays) and ending at 6:00 PM. Charges are per hour (or any part of an hour) as follows:
- $6.00 for the first child
- $4.00 for each additional child

A fee of $2.00 per minute is charged for students remaining in the program after 6:00 PM. Students who are not picked up by 6:00 PM will receive:
1. A phone call reminding you to pick up your students on time
2. Repeated failure to pick up your child from After Care on time will result in your child not being allowed to attend the After School Care program.

Charges are posted and payments may be made online at assumptionschool.icareparentportal.com. Payments can also be made by check, payable to Assumption Aftercare, in the Aftercare office or main school office.

Charges are posted every Monday for the PREVIOUS week. Payments may be made daily, weekly, bi-weekly, or monthly. Balances should not reach a 30 day past due limit. Balances that are 31 days past due will receive notification and must be paid by Friday after the notification. If the balance is not paid, a late fee of $30 will be assessed AND aftercare will no longer be available to the student(s) until the balance is paid in full.
Email aftercare@assumptionjax.org with any questions.

### SPORTS TEAM/EXTRACURRICULAR ACTIVITIES SUPERVISION AFTER SCHOOL

Students who play school sports and/or participate in extracurricular activities after school must be picked up from the activity at the time the activity ends. If the student cannot be picked up, he/she must go to after school care.
ACADEMICS

CURRICULUM
The Diocesan curriculum guidelines are followed for the teaching of all subject areas. Assumption Catholic School offers students opportunities for growth in the following major subjects:

Religion
Curriculum includes the teaching of Catholic doctrine and tradition, Bible study, Social Justice, preparation for the reception of the Sacraments of Reconciliation, and Eucharist. Liturgical services are held on Tuesday mornings at 9:30 am every week. Students have two Religious retreat days each year in observance of Advent and Lent. Students visit the Adoration Chapel on a regular basis with their teacher or a Sister from the Servant Sisters of the Home of the Mother.

Fine Arts
Curriculum includes the teaching of Music, Visual, and Performing Arts.

Handwriting
Students in Grades K - 4 have specific handwriting instruction. Students begin learning cursive halfway through 2nd grade.

Language Arts
Curriculum includes the teaching of Reading, English, Spelling, Vocabulary, Composition, Library Skills, and Appreciation of Literature. Students individualize their reading by utilizing the Accelerated Reading program in grades 1-5. Students and teachers work together to create specific goals for the number of points/books a student needs to read each quarter at a certain reading level.

Mathematics
Curriculum includes the teaching of Mathematics Skills, Pre-Algebra, and Algebra I. Classrooms utilize math centers alongside direct instruction where students use manipulatives, cooperative learning, and small group instruction to master and achieve rigor in mathematics.

Media & Technology
Media Research and Technology, along with the student’s fundamental classes, will create an environment for the students that foster the development of lifelong research, technology and learning skills. Whether the class is Language Arts, Reading, Science, Social Studies, or Art, the collaboration of applied research and technology should be woven in to all these areas so that
our students will become expert learners and will succeed in the rapidly changing world of technology. The students will learn to take full advantage of the vast array of research and multimedia resources, and technology options available.

**Physical Education**
Physical fitness programs appropriate for each grade.

**Science**
Curriculum includes the teaching of General Sciences and Laboratory Experiences. Sixth grade receives instruction in Earth Science, seventh grade is Life Science, and eighth grade is Physical Science.

**Social Studies**
Curriculum includes the teaching of American and World History, Geography, Economics, Florida History, Jacksonville History and Current Events.

**Spanish**
Curriculum includes the teaching of vocabulary, common expressions, grammar, conversation, and culture.

**ACCREDITATION**
Assumption Catholic School is accredited through the Florida Catholic Conference.

**GUIDANCE**
A certified guidance counselor serves the needs of students and parents through class and individual consultation.

**SACRAMENTAL YEARS**
Second grade and eighth grade are normally sacramental years for First Communion and Confirmation. By signing this document you agree and understand the following:

1. A non-Catholic child of non-Catholic parents is not eligible to receive these sacraments under any conditions.
2. For Catholic children it is understood that all sponsor certificate and baptismal documents MUST be in the hands of the parish by January 1st or it is understood that the child will NOT be receiving the sacrament that year.
3. A previous year of preparation is required either at Assumption or another parish to be eligible to receive sacraments during the students’ sacramental year.

The sacramental life of the children of the Catholic tradition is an important component of the religion program at Assumption Catholic School. All sacramental preparations require attendance at weekend retreats and parent meetings. Preparations for two sacraments,
Reconciliation and Eucharist, form the core of instruction in Grade 2. In accordance with the diocesan guidelines, candidates for First Eucharist will receive the sacrament of Reconciliation prior to First Eucharist. Parents are required to be active partners in the preparation of their children for these sacraments.

**SERVICE PROJECTS**
The students of Assumption Catholic School are taught and challenged to become involved in various service projects that will teach them the value of giving back. Students will work to complete service projects that benefit our school, local and global communities including Mary’s Meals, Catholic Charities, Unbound, and Senior Luncheon. Eighth graders will also be required to complete a detailed service project as part of their Confirmation preparation (all students must complete this project whether or not they will be Confirmed). Details of this project will be given to students during the first quarter. The project is monitored by the Sisters of the Home of the Mother.

**ENRICHMENT PROGRAM (2nd to 5th Grade)**
The Assumption Catholic School Enrichment Program is a program devised for the high achieving, responsible student who wishes to gain freedom to explore content and develop themselves intellectually and socially. In order to participate, a student must meet very rigid criteria and is responsible for maintaining high academic classroom performance in all subject areas.

Selection for the Enrichment Program are based in the following criteria:
- Tested Gifted eligible (must still meet the remaining criteria)
- Score in the top percentile on the Terra Nova or other comparable assessment
- Score in the top percentile on the STAR Reading and STAR Math assessments
- Teacher recommendation based on performance both academically and behaviorally
- Academic progress, including successfully completed homework, as seen on progress reports/ report cards

Selection into this program is not based solely on any one criteria and is not guaranteed because of previous acceptance or involvement in the program. If at any time, the student does not meet this criteria during the school year, he/she will not be able to participate in the enrichment program for the remainder of the school year.

**HOMEWORK**
Formal home-study is assigned to help students become self-reliant and self-directed. Assignments are designed to reinforce daily lessons, to supplement and enrich class work, and to prepare for certain lessons through various experiences.
Students are responsible for recording homework assignments, projects and test dates in their planner. Students are expected to complete the assignments neatly and correctly and bring them to class on the day they are due. Students who choose not to complete the assignment or fail to bring it to class will receive a zero. Homework may not be completed during lunch time as this is difficult for the staff to monitor.

Since each student has different capabilities and interests, it would be difficult to denote the specific amount of time to be spent on an assignment. If a problem arises, the teacher should be contacted.

Homework may be assigned to students Monday through Thursday in grades K-5. Homework will not be assigned to students on Friday evening for grades K-5. Tests or quizzes may be given on Mondays or the first day of school of the week in grades 6-8. Projects may be due on Monday or the first day of school of the week in grades 6-8.

Zeros (0) mean the student was present but did not turn in the work. A zero may not be made up.

*Homework Policy due to Illness*

When a student is absent for three or more days, a parent may call the school office before 9:30 AM to arrange for homework assignments. Homework assignments may be picked up at the school office between 3:00 PM – 3:30 PM.

For short absences, students should make arrangements with classmates regarding assignments. Students may also receive missed assignments from their teacher when they return to school. Teachers in Grades K-3 will send weekly newsletters home with important classroom information. Teachers in Grades 4-8 will post upcoming tests, quizzes and projects at least 3 days in advance on Parents Web.

Students will be allowed one day for each day of absence due to illness. For example, a student who was absent three days will be given three school days to complete the missed work.

*Homework Policy due to Vacations/Planned Absences*

The school calendar provides for extended weekends throughout the school year. Parents are encouraged to schedule trips or family outings during these times so as to eliminate the need to interrupt a child’s learning process. Missed assignments are the student’s responsibility. Teachers are not required to give make-up tests or assignments for absences prior to vacations. There will be no exceptions to this policy. Please do not ask the teacher to make an exception in advance of an absence.

REPORT CARDS AND PROGRESS REPORTS

Report Cards are important tools for communication. Report Cards will be sent four (4) times during the academic school year or every nine (9) weeks. Half way through each nine-week grading period, parents will receive an email reminder to check Parents Web to view their child’s current grades as a “Progress Report”.

No student will be given a Report Card if tuition, lunch accounts, library fines, or After School Care Program fees are in arrears.

National Junior Honor Society (NJHS) Requirements
Membership is for students in the eighth grade. In order to be eligible, a student must have an average of 85% or higher in all classes for each quarter. Students may not have received any type of behavior consequence including but not limited to a detention, classroom or administrative notices, or negative behavior comment on a report card. Eligibility is determined by the student's seventh grade behavior and grades.
Students who meet the minimum grade and behavior requirements will be notified of their eligibility by a letter and email from the school at the end of the school year. Those students must then submit a detailed essay including one paragraph on each of the four areas required by NJHS (Character, Service, Leadership, and Citizenship). Paragraphs should include explicit details and evidence to support the fact that the student excels in these areas according to the directions in the membership eligibility letter/email. The essay is due on the first day of eighth grade to the NJHS sponsor, Mrs. Charboneau.

All essays received will be evaluated by a panel of teachers and at least one administrator. An email and letter will notify the candidates and their families if they are invited to become members of the National Junior Honor Society. Continued membership is contingent upon the student adhering to the above academic and behavioral requirements.

ACADEMIC PROBATION
Students whose average is below 70 will not be allowed to participate in any sport, extracurricular activity, or academic club until the grade has improved to a passing grade of C (70% or higher).

PROMOTION AND RETENTION POLICIES
Advancement to the next grade in Assumption Catholic School is based on a student’s daily performance, test results, recommendations of teachers, and the student’s ability to complete work successfully on a more advanced level.

Promotion to the next grade depends on successful completion of all subject areas. The Administration may recommend the repetition of a grade, tutoring, or summer school classes as requirement for promotion when, after conferences with teachers and parents, it is believed that such action will better prepare the student academically or emotionally for the next grade (See “Criteria for Retention” below).

Criteria for Retention

- Kindergarten: Failure in Reading, Language Arts or Math AND/OR a lack of readiness in reading, language arts, math, and/or communication skills.

  Special consideration will be given to social, emotional and maturation levels. Consideration is also given to physical size and chronological age.

- Grades 1-2: Failure in Reading/Language Arts or Math
In grades 1-2, the subject is failed if the student receives a U as a final grade for any two quarters.

- Grades 3-8: A passing grade must be achieved in all core subjects: Religion, Reading, Language Arts, Math, Social Studies and Science.

In grades 3-8, the subject is failed if the student’s final average is an “F”.

**Procedure Following Failing Grade**

Only one subject may be taken in summer school. If two subjects are failed, the student must repeat the grade level. Any failed subject must be made up in a summer school program approved by the principal. A private tutor may also be used if a valid Florida Teaching Certificate can be provided to the principal for approval. If a tutor is used, the school will provide all work to be completed. A minimum of 30 documented hours is necessary to show completion of the summer tutoring program. Upon completion of all work provided, and the 30 hours, the students must be retested at the school in the subject that was failed in order to be re-enrolled at the school the following year.

Students may also be TRANSFERRED to the next grade. A student who is transferred to another grade may not be allowed to continue as a student at Assumption Catholic School.

**TESTING**

The Terra Nova is given in grades 2 through 8. The ACRE Test (Assessment of Catechesis Religious Education) is given to students in Grades 5 and 8 every year.

Periodic classroom tests and quizzes are used to assess subject mastery. The purpose of these assessments is to provide a measure of progress toward objectives and positive feedback and to allow the teacher to gauge the success of instructional goals. Upcoming assessments will be posted on the teacher’s webpage at least three days in advance (in Grades 4-8) or in the teacher’s weekly newsletter (in Grades 1-3).

Final exams are mandatory in grades 5-8 as part of the final grade for promotion and to assess the cumulative knowledge of subject matter taught during the academic year. Students will be dismissed early on mid-term and final exam days. If exams are not taken, a grade of zero must be factored into the final average.

To preserve the integrity of the final exams, they are only given at the scheduled time to the entire class. If a student cannot take the exam as scheduled, a separate exam must be
constructed which covers the same skills and concepts. Additional teacher time is required to construct and administer the additional final exam. The charge for this is $25 per exam.

Please contact the teacher well in advance if a separate final exam will be necessary for your child. Send the fee to the school office prior to the exam.

FIELD TRIPS
• Field trips are designed to correlate with teaching units and to achieve curricular goals.
• Field trips are re-evaluated each year to determine the trip’s compatibility with curricular goals.
• A field trip is a privilege and not a right.
• There are no “traditional” field trips. Class participation in a particular field trip over consecutive years does not mean that this trip has become a school tradition.
• All grades do not always have the same number of field trips.
• Field trips are permissible for all grades when advanced planning, location, and the experience insure a successful learning opportunity.
• Individual teachers, in consultation with the Administration, reserve the right to restrict or deny student participation on any field trip due to, but not limited to, poor academic performance and/or poor conduct.
• A written official permission slip, signed by the parent, is required before a child will be permitted to attend a field trip activity. Verbal and/or email permission cannot be accepted. Permission slips are due in the office twenty-four hours prior to any trip. A telephone call will not be accepted in lieu of the proper field trip permission slip.
• Parents may refuse to permit their child from participating in a field trip. Students who do not attend a field trip will remain at home with the parent and will be marked absent for the day.
• Students who are participating in the field trip must ride the bus to the field trip with their class. Students not on the bus will be counted absent for the day.
• All monies collected for the field trip are non-refundable.
• Cell phones are not allowed on field trips unless otherwise directed by the teacher and/or administration.
• Parents who are not “official” chaperones may not drive their car to a field trip destination with the plan of accompanying the class on the field trip. Our risk management insurance company insures the “official” chaperones only. Participation by unofficial chaperones jeopardizes the protection of our students and all other “official” adults on the trip.
• Parents who chaperone a field trip may not bring siblings or other relatives on the field trip.
• All chaperones must be 18 years of age or older, have been fingerprinted through the Diocese of St. Augustine, and must have taken the Protecting God’s Children class. All proper documentation must be on file at the school before the day of the field trip.
ATHLETIC PROGRAM

Students in grades 5-8 are eligible to try out for school sports. For students playing for the school teams, a “C” average must be maintained as well as good conduct. A Diocesan sports physical form must be completed for all students in order for them to participate in an after-school sports program or team at Assumption. The physical must be completed within the calendar year of June 1st to May 31st of the current school year. The student may not try out or attend any practice or game without the sports physical on file.

Sports teams at Assumption include Cheerleading, Basketball, Soccer, Volleyball, Softball, and Cross County.

ACADEMIC HONESTY
Personal pride and integrity are essential to Assumption Catholic School’s dedication to academic excellence. Academic dishonesty involves giving or receiving any unauthorized assistance on homework, tests, quizzes, and/or projects. Cheating violates God’s seventh Commandment, and will result in a grade reduction, notification to parents/guardians, and disciplinary action. A student athlete or participant in any extracurricular activity who is involved in cheating will also be unable to participate in sports or activities for the remainder of the quarter.

BULLYING
Assumption Catholic School strives to provide a safe environment for all individuals. Verbal or written threats or derogatory statements made against the physical or emotional well-being of any individual are taken very seriously. Any form of cyber-bullying that affects the school life of a student or staff member will be addressed by the administration and handled on a case by case basis. Administration will make efforts to mediate between students and will contact all parents of those students involved. In accordance with federal laws, students who are proven to be engaging in certain acts associated with bullying may be suspended or expelled from the school or district and could potentially face civil fines and criminal penalties depending on the specific violation. Any unauthorized recording (audio or camera) of a staff member by a student, (on or off campus), may result in immediate suspension/expulsion.

Textbooks used by the student must have a proper book cover. No writing in hardback or non-consumable textbooks is permitted. CELL PHONES AND ELECTRONIC DEVICES

Cell Phones
Only students in grades 6 - 8 may bring a cell phone to school after signing the “Tablet and Cell Phone Policy”. Cell phones must be turned in to the homeroom teacher or adult supervisor during morning procedures, aftercare, after-school sports, and extracurricular activities. The students must initial a log each day the cell phone is brought to school, which shows that it was turned in to the teacher. The cell phone may be picked up by the student at dismissal. At no time during the day should a cell phone be in a student’s locker or in his/her possession. Anyone caught taking pictures on campus at any time (including before or after school) will have the phone confiscated and the pictures deleted before having the phone returned to the student’s parent.

Students may not use cell phones while on campus at any time for any reason.
Students involved in possession of and/or use of a cell phone, whether it is his/her own personal phone or another person’s, phone will face disciplinary action.

The first time a cell phone is found with a student it will be brought to the main office and the parent will have to pick up the cell phone after school. The student will also be required to turn in the cell phone to the office for the remainder of the year if he/she will be bringing it to school. If a cell phone is found on a student the second time, he/she will no longer be able to bring the cell phone to school and will face disciplinary action.

Personal Tablets
Only students in grades 6 - 8 may bring a personal tablet to school after signing the “Tablet and Cell Phone Policy”. Students may bring personal tablets to school for use as an educational tool. Students must follow the rules set forth by each classroom teacher in terms of tablet use and storage. ACS practices a zero tolerance policy if a student is found to be using the tablet in a way not deemed appropriate by the school. If a student is found to be using the tablet inappropriately, the student will not be allowed to bring the tablet to school for the remainder of the year and may face disciplinary action.

School Email Addresses and Schoology
Students in 7th-8th grade are given an email address sponsored by Microsoft as well as a Schoology account by the school. This email and Schoology account is to be used for educational purposes only. This includes emailing and storing school assignments, communicating about school assignments with other students, and communicating about school assignments with the teacher. All email addresses and accounts are monitored for content and appropriateness. Any student found to be using the school issued email address and/or their Schoology account inappropriately will face disciplinary action.
**School Tablets**
ACS provides tablets for use by students in all grade levels. Students are expected to use the tablet for educational purposes, as directed by the teacher. ACS practices a zero tolerance policy if a student is found to be using the tablet in a way not deemed appropriate by the school. If a student is found to be using the tablet inappropriately, the student will not be allowed to use school issued technology for the remainder of the year and may face disciplinary action.

**Smartwatches**
Smartwatches (ie. Apple watches, Android watches, etc) are prohibited from school. Personal fitness monitors are allowed as long as they are not a distraction to the student or the classroom.

**Social Media**
Engagement in social media such as, but not limited to Instagram®, Twitter®, Snapchat®, Facebook®, TikTok® etc. may result in disciplinary actions if the content of the student’s page includes inappropriate content or defamatory comments regarding the school, the faculty, other students or the parish. Parents who post negative or derogatory comments about the school, staff or parish may be asked to withdraw their children as well.

**OFF-CAMPUS CONDUCT**
The administration of Assumption Catholic School reserves the right to discipline its students for proven off-campus behavior that is not in line with behavior expectations of its students during the course of the school day. Off campus behavior includes, but is not limited to cyber-bullying, sexting, theft, drinking, smoking or use of drugs.

**DISCIPLINE**
It is necessary for a child to learn self-discipline in order to learn responsibility and to make academic progress. The behavior of the student should reflect the Christian values being taught at home and school. The school’s discipline code is based on choices and consequences. Each student is responsible for the behavioral choices made and must deal with the consequences of their actions. Cooperation and support between the home and school environment is essential for the code of conduct to become the fiber of our school environment.
It is important to be aware that the discipline policies followed during the school day are also implemented the entire time the student is on campus. This includes after school care, sporting events, festivals, participation in clubs, field trips, etc.

**DISCIPLINARY PROCEDURES (GRADES K-2)**

The Assumption philosophy of discipline for students in Kindergarten to 2nd grade is rooted in positive reinforcement and Gospel values. We believe in and focus on expectations that lead to self-regulation and self-discipline. We believe students should repent for wrong-doings on their own as we emphasize, “Do unto others, as you would have them do unto you.” We focus on prevention, rather than reaction, through our religious education and health studies, and always try to correct behavior, rather than to punish punitively.

Teachers in grades K-2 determine their own classroom rules and consequences appropriate to their grade level. These rules are based on the Mission and Beliefs of Assumption Catholic School. Consequences might include, but are not limited to: time out, loss of privileges, note/phone calls home, parent conferences, and/or meeting with administration. Rules are posted in each classroom and are positive in nature. The rules are conveyed to students and parents. A teacher in K-2 grade may choose to use the online discipline notification system to document and communicate behavior with parents and administrators.

Excessive inappropriate behavior will not be tolerated. Incidents involving repeated disrespect, defiance, student/student or student/teacher injury or destruction of school property (which requires repayment by parent) may result in immediate suspension/expulsion.

**DISCIPLINARY PROCEDURES (GRADES 3-8)**

**Classroom Behavior Notices**

Classroom Behavior Notices are given for academic or minor behaviors and restart every quarter. They are issued and controlled by the teachers. Parents will receive Classroom Behavior Notices via email. A minimum of automatic silent lunch detention will be given for a Classroom Behavior Notice. Three Classroom Behavior Notices will result in an Administrative Behavior Notice. Offenses listed below are some examples that could warrant the use of a Classroom Behavior Notice:

- Needs to be prepared for class (supplies, text, etc.)
- Needs to be more attentive in class
• Needs to put forth more effort
• Needs to follow directions
• Needs to complete classwork or homework
• Needs to complete make up work after absence

• Inappropriate displays of affection
• Violation of classroom rules
• Inappropriate behavior anywhere on campus (i.e. classrooms, Church, bathrooms, locker rooms, hallways, lunchroom, carline, gym, playground)
• Creating and leaving excessive mess in the lunchroom

Administrative Behavior Notices
Administrative Behavior Notices are given for repeated minor and major behavior reasons and do not restart every quarter. Parents will receive Administrative Behavior Notices via email. A minimum of automatic after-school detention (possible suspension) will be given for an Administrative Behavior Notice. Administrative Notices could be for, but not limited to, the following behavioral offenses (student to student or student to teacher):

• Repeated offenses
• Three Classroom Notices in a quarter
• Excessive nonconformity to Dress Code
• Threat/Harassment/Intimidation/Bullying
• Defiance/Disrespect of authority
• Cheating/Plagiarism/Academic dishonesty
• Irreverence at Church, liturgies, or prayer services
• Fighting/physical confrontations/physical harm
• Stealing
• Profanity or obscene gestures
• Leaving classroom/school grounds, during the school day, without teachers’ or administrators’ permission
• Possession of unauthorized items at school (i.e. unapproved electronic devices, games, cell phones, etc.)  This does not include authorized electronic readers – see acceptable use policy.
**Possible Consequences for Behavior Notices**

- Verbal reprimand
- Removal from classroom
- Phone call to parent/guardian
- Conference with parents
- Loss of privileges such as field trips, Student Council membership, NJHS membership, athletic participation, etc.
- Removal of the student from school for the remainder of the school day
- Silent Lunch Detention *
- **After-School Detention***
- Out-of-School Suspension*
- Behavior Contracts
- Disciplinary Review Board Meeting*
- Disciplinary Probation*
- Expulsion*

*See detailed information below

**DETENTION**

*Silent lunch detention* will be monitored by an assigned staff person during the lunch periods. This detention will consist of a silent lunch. Students are responsible for finding a school employee in the cafeteria to report for silent lunch. The person on duty will not look for the student. It is the student’s responsibility to attend silent lunch.

*After-school detention* will be assigned immediately for an Administrative Behavior Notice. An assigned staff person will monitor the after-school detention from 3:10 – 4:00 pm. The student must be picked up in the aftercare office by 4:00 PM or the student will be taken to aftercare and charged for aftercare from 4:00 PM until the student is picked up.

Students who receive 3 **after-school** detentions in a nine-week period will be ineligible for honor roll. A third detention will warrant a meeting with the Guidance Counselor where a student contract will be created, signed and monitored. Conduct impacts sports and extra-curricular activities.
SUSPENSION
Suspension is the temporary removal of a student from his/her regular academic program. The time of suspension must be served out-of-school and is at the discretion of the administration. Suspension from school is a severe disciplinary procedure and could be imposed for serious misconduct or repeated minor misconduct. This misconduct could include, but is not limited to, willful harm (verbal or physical) to another person, damage to the school or other property, possession of a weapon, alcohol, or drugs, and repeated disregard for school rules and regulations.

1st Suspension
Student will be suspended (see guidelines below) and may be ineligible for Honor Roll for the quarter in which the suspension is received. The student will not be allowed to participate in sports and extra-curricular activities for a period of up to 45 school days following the suspension. Students in Grades 7-8 will also be required to complete 5 additional hours of service to the community. This work should be planned out in advance with the input of the administration, teachers, and parents and must be completed within two weeks of the suspension. Administration may consider additional consequences depending on the level of the offense. All field trip privileges and extra-curricular activities are revoked for 45 school days after the 1st suspension. If field trip privileges are suspended, the student may not come to school the day of the field trip.

2nd Suspension
Student will be suspended (see guidelines below) and will have to meet with the Disciplinary Review Board. (Members include: Pastor, Principal, a teacher selected by Administration, a teacher selected by parent/guardian of student, and the School Counselor may be included.) This meeting will be held to help determine the cause underlying the behavior and to implement strategies for behavior change in order to increase the level of successful learning. It is proven that irresponsible behavior can decrease the student’s range of future opportunities. This Disciplinary Review Board is convened to develop a student’s acceptance for their own behavior and the chance for home and school to work together in helping students to make the right choices in the context of behavior management.

The student will be ineligible for Honor Roll for the quarter in which the suspension is received. The student will also be ineligible to participate in sports or extra-curricular activities for a period of up to 45 school days following the suspension. Students in Grades 7-8 will be
required to complete 10 additional hours of service to the community. Administration will contact the parent to plan out the service hours as they must be completed within one month of the 2nd suspension. **Field trip privileges are revoked for the remainder of the year.** If field trip privileges are revoked, the student may not come to school the day of the field trip. The Disciplinary Review Board will review any subsequent suspension during the school year, as any suspension after the second suspension may result in expulsion from school.

Suspension Guidelines
- All class assignments, quizzes, and tests will be made up by the student.
- At the end of the day, the student is responsible to find out what homework has been assigned.
- Any student suspended will not be allowed to attend school events (i.e. dances, games, retreat days) on any day suspended.
- **Any 8th grader suspended during the fourth quarter will not be allowed to participate in the class trip and the money collected for the trip in the 8th grade fees will not be refunded.**

**Disciplinary Probation**
Based upon the student’s past discipline record and recommendations made by the Disciplinary Review Board, a student may be placed on Disciplinary Probation for a period of time to be determined by the Pastor and the Principal. Further disciplinary issues may require expulsion from the school.

**Expulsion**
The selling or possession of weapons, narcotic drugs or alcohol whether on or off campus or during any school sponsored activity, such as field trips, athletic events, etc. will result in immediate expulsion of the offending student(s).

Any threats or violence directed toward students, faculty, staff, or administration, whether on or off campus or during any school sponsored activity, such as field trips, athletic events, etc. will be taken seriously and could result in expulsion of the offending student(s). Any unauthorized recording of school staff (on or off campus) may result in immediate expulsion. Any explicit sexual activity, either alone or with another student whether on campus or during all school sponsored activities, such as field trips, athletic events, festivals, etc. will result in immediate expulsion of the offending student(s).
PRAYER AND PLEDGE

Being a private, and more importantly a Catholic school, if a student does not respectfully participate in the saying of Prayer and/or the Pledge of the Allegiance during school or at any school related event, he/she may be expelled by the Pastor.

**Assumption Catholic School will NOT share the consequences or decisions carried forth with any persons other than the child’s parent(s).**

LIBRARY BOOKS

The school has a well-equipped automated library and media center. Students are encouraged to use the library for curricular enrichment and pleasure reading. The following rules are to be observed:

1. Borrowed books are to be returned on time and in good condition each week when the student visits the library.
2. Books damaged or lost must be paid for by the student before any other materials may be checked out. Students who have lost or damaged books will not receive quarterly report cards until their account is cleared.

MATERIALS AND TEXTBOOKS

Materials and textbooks that are property of Assumption Catholic School must be treated with respect. Damaged or lost books must be replaced with cost of book plus shipping.

LOCKERS

Students in grades 5 – 8 are assigned a locker in which to store clothing and textbooks. In order to maintain a quiet atmosphere for class, students are allowed to go to their lockers only at specified times. The school reserves the right to inspect lockers at any time. Student schedules and pencil holders facilitate learning and may be posted on the interior of a student’s locker door.

Students in Grades 5 – 8 are issued a school-owned combination lock to use to protect their personal items during the evening and on the weekends. The school maintains a universal key and reserves the right to open student lockers at any time without probable or reasonable cause. The locks are the property of Assumption Catholic School. Students will be responsible for replacement of any lost lock. A lock that is not locked on a student’s locker during the school day will be taken from the locker. The student must report to the homeroom teacher to retrieve his/her lock at the end of the day. A $5.00 fine is charged after the second infraction. Replacement locks cost $10.00.
LOST AND FOUND
Any items found in the school building or on the school grounds should be given to the school receptionist to be placed in the Lost and Found space in the Family Center/Gym. Items placed in Lost and Found remain there for 30 days. After 30 days, items are donated to charity.

Students who lose a library book, textbook or workbook must pay the replacement cost of the book plus shipping in order to receive a new copy.

BIRTHDAY OBSERVANCES, GIFTS, and PARTY INVITATIONS
Birthday treats may be brought to school for students in Grades K through Grade 8. Students are invited to come to the Main Office for a birthday pencil. Invitations may only be distributed if all students in a class are invited to attend. Gifts may not be distributed at school. Birthday treats may be brought in after consulting the classroom teacher (especially for allergies) and must be individually portioned.

LUNCH PROGRAM
Assumption Catholic School offers a hot lunch program daily. Meals are prepared in Jordan Hall or through the services of outside vendors. The cost of each meal will be deducted from the student’s “My School Bucks” online account. Notice will be sent to parents when additional funds are needed on the account. Parents may also send a check to the school to be put on the child’s account. No cash will be accepted in the lunch line.

Students may choose to bring their lunch each day. Students should not bring glass bottles, soft drinks or excessive amounts of candy. Parents are welcome to eat lunch with their child during the student’s scheduled lunch time. Parents must sign in at the front office as a visitor and must sit at the assigned “parent table” in the cafeteria with their child and one friend.

Students are expected to use the same manners required in the classroom during lunch. Courtesy toward other students and cooperation with lunch monitors are in order at all times.

**PRINCIPAL AND PASTOR RIGHT TO FINAL SAY**

The Principal and Pastor reserve the right to make final decisions or changes to all information stated in the handbook. Failure to sign and acknowledge receipt of this handbook does not absolve families from the obligation to comply with all rules set out in the handbook and codes of conduct.

**TELECOMMUNICATIONS USE AGREEMENT**

Telecommunications Use Agreement
Adapted from NCEA’s From the Chalkboard to the Chatroom.

As a computer user, I agree to follow the rules and code of ethics in all of my work with computers while attending Assumption Catholic School:

1. I recognize that all computer users have the same right to use the equipment; therefore, I will not use the computer resources for non-academic purposes. I will not waste or take supplies such as paper, printer cartridges, and discs that are provided by the school. When I am in the computer lab, I will talk softly and work in ways that will not disturb other users. I will keep my computer work area clean and will not eat or drink in the computer lab.

2. I recognize that software is protected by copyright laws; therefore, I will not make unauthorized copies of software and I will not give, lend, or sell copies of software to others. I understand that I will not be allowed to bring software applications, games, or CD-ROMs from home to be used on school equipment without proof of licensure and prior approval of appropriate school personnel.

3. I recognize that the work of all users is valuable; therefore, I will protect the privacy of others by not trying to learn their password; I will not copy, change, read, or use files from another user without prior permission from that user; I will not attempt to gain unauthorized
access to system programs for computer equipment; I will not use computer systems to disturb or harass other computer users or use inappropriate language in my communications.

I will honor my school’s procedures for the storage of information. I realize that after prior notice has been given to me, files may be deleted from the system to protect the integrity of the network or because of space limitations on the computer’s hard drive.

4. Each student who received Internet access will be instructed in the proper use of the network. The use of the Internet must be in support of education and research consistent with the educational objectives of the school. Students using network or computing recourses must comply with the appropriate rules for that network or resource. Students are never permitted to type a web address/URL into a web browser.

As a user of a network, I will not use bulletin boards or chat lines for personal use. In addition, I will not reveal my personal information, home address, or personal phone number or those of students, teachers, or other staff members. Transmission of any material in violation of any U.S. or state regulation is prohibited. This includes, but is not limited to: copyrighted material, threatening or obscene material, or material protected by trade secret. The use of school computers and networking resources for commercial activities is not permitted. Their use for product advertisement or political lobbying is also prohibited.

5. Parents must realize that their students may encounter material on a network/bulletin board that they do not consider appropriate (vulgar jokes, statements of believe that some might consider immoral, etc.) The student is responsible for not pursuing material that could be considered offensive.

6. The use of the computer is a privilege, not a right, and inappropriate use will result in the cancellation of these privileges. Vandalism or intentional modification of system settings will result in cancellation of privileges and/or school disciplinary action. The school reserves the right to seek financial restitution for any damage caused by a student or other user. The system administrators will deem what is inappropriate use, and their decision is final. The administration, faculty, and staff of the school may request that the system administrator deny, revoke, or suspend specific user privileges. Violations of the rules and code of ethics described above will be dealt with seriously.
