

St. Patrick Church
Religious Education Office

St. Patrick RE Hybrid Family Covenant

By signing up for this hybrid plan, our family promises to keep faith present in our home by committing to the following actions:

1. Attending Sunday Mass and answering reflection questions related to the Mass
2. Creating a time weekly for our Religious Education Lesson
3. Discussing the monthly Saint and completing activities
4. Reading and discussing the lesson presented in the Loyola Press Christ Our Life textbook for each grade level in our household
5. Completing the online interactive chapter review for all requested lessons and sending results to the Religious Education Office
6. Praying together the weekly prayer throughout the week
7. Attending any Sacramental Preparation Classes or arranging for a virtual session with the Religious Education Office
8. Attending all Religious Education Family Meetings, either in person or virtually

Our family commits to completing these tasks in order to show successful completion of our Religious Education classes this year. We understand that not upholding this covenant may delay progression to next grade level and may delay the reception of Sacraments.
