

**St. Patrick Church
Religious Education Office**

St. Patrick RE In-Person Family Covenant

By signing up for this in-person plan, our family promises to keep faith present in our home by committing to the following actions:

1. Attending Sunday Mass
2. Discussing the monthly Saint and completing activities
3. Attending our weekly Religious Education Classes
4. Discussing at home our Religious Education Lessons when your children come home
5. Praying together the weekly prayer throughout the week
6. Attending any Sacramental Preparation Classes or arranging for a virtual session with the Religious Education Office
7. Attending all Religious Education Family Meetings, either in person or virtually

Our family commits to completing these tasks in order to show successful completion of our Religious Education classes this year. We understand that not upholding this covenant may delay progression to next grade level and may delay the reception of Sacraments.

Signed:
