Dear Parishioners,

Thank you everyone who have been sending in there parish envelopes during this time of pandemic and those who have contributed online through our website <https://www.gsparish.ca/donation>. Your continued financial support of the parish is very much appreciated! God Bless everyone, stay safe and let us continue to pray and care for one another!

A beautiful message from Holy Father Pope Francis: he says, “Rivers do not drink their own water; trees do not eat their own fruit; the sun does not shine on itself and flowers do not spread their fragrance for themselves. Living for others is a rule of nature. We are all born to help each other. No matter how difficult it is...Life is good when you are happy; but much better when others are happy because of you.”
