

**AT-HOME ELEMENTARY/MIDDLE SCHOOL PROGRAM
2019-2020 CALENDAR**

St. Michael offers an option for families with children in K-8th grade to participate in faith formation at-home using the Pflaum Gospel Weekly curriculum. There is a parent training meeting for families new to the program and all families will be expected to pick up their curriculum materials each quarter, at St. Michael. Lessons can be completed at-home in a manner that fits your families schedule the best. The Gospel Weeklies provide online teaching guides and support and allows all ages to hear and learn about the weekly Gospel making it easier for families with multiple children to learn together. Lessons can be completed at one sitting or spread out throughout the week so that everyone will be familiar with the Gospel reading prior to attending mass on the weekend. Each quarter, children in grades 2-8 will be required to complete an online assessment for the unit. This assessment allows us to confirm participation. If you have questions about this program, contact Patti Kamper, Elementary Coordinator at pkamper@saint-mikes.org or (804)527-1037 ext. 117.

Parent Training: *Mandatory for those new to the at-home program or an optional refresher for those who have participated in the at-home program before.*

Sunday, September 15th 6:00-7:30pm (Room 205)

Program Dates:
