

# Prayer for September 2021

By John Thomas Lane, SSS

God of all creation, God of all labor,  
The work of your hands!

You adorn the world with your beauty and marvelous works  
and call us to be stewards of so great a mystery.

Guide us to protect the fruit of the earth  
and help us preserve and restore all creatures  
in your holy splendor and majesty.

Help us learn and grow in your wisdom and goodness  
so that we may stand in solidarity  
with those who labor for justice and peace.

We pray that all creation may experience dignity and respect  
and rejoice in a communion of endless praise and care.

Amen.
