Team RCIA: Don’t Be Afraid to Be Saints

Sponsor Spotlight: Meet John

John Smilie (the RCIA Analogy King) works for the Federal Reserve Bank of Kansas City. John grew up in Lincoln, Nebraska. He attended Benedictine College, where he met his beautiful wife Annie. Holy Spirit has been John and Annie’s spiritual home for over ten years. John and Annie have four boys, three who attend Holy Spirit Catholic school. John has been involved with RCIA for over six years and we are hoping for many more! He loves being part of people’s journey in discovering and falling in love with Jesus and His Church. He loves Saint Pope John Paul II for many reasons, but most of all because Saint John Paul II embraced his humanity by finding joy in common things, like theater and camping.

Facts about John’s favorite Saint:

- Back in his theater days, Saint Pope John Paul II literally saved a theater show with his phenomenal memory (later in life, he also knew all 2,000 bishops of the world by name and could speak over eight languages).
- Saint John Paul II received his call to the priesthood when he once accidentally “caught” his father praying alone during the night on his knees.
- He continued snow skiing until he was 73 years old.
- He traveled the same distance as going to the moon 3 times during his lifetime by visiting 129 nations.
- He is the only human that has gathered the most humans together in one spot: 5 million people at the 1995 World Youth Day in the Philippines.
- Once he received a 14 minute standing ovation from an audience of 300,000.

Ask a friend to learn more about the Catholic faith and join RCIA.

St. John Paul II and His Father

St. John Paul II said, “From the time I was little, I learned to pray to the Holy Spirit. When I was 11, I was feeling sad because I was having a lot of trouble with math. My dad showed me in a little book the hymn Veni Creator Spiritus, and he told me, ‘Pray this and you’ll see that He’ll help you to understand.’ I’ve been praying this hymn every day for more than 40 years, and I’ve seen how much the Divine Spirit helps us.”

Here is a typical English translation of the Latin text:

Come, Holy Spirit, Creator blest,  
and in our souls take up Thy rest;  

Far from us drive the foe we dread,  
and grant us Thy peace instead;  

Come with Thy grace and heavenly aid  
to fill the hearts which Thou hast made.  

so shall we not, with Thee for guide,  
turn from the path of life aside.  

O comforter, to Thee we cry,  
O heavenly gift of God Most High,  

Oh, may Thy grace on us bestow  
the Father and the Son to know;  

O fount of life and fire of love,  
and sweet anointing from above.  

and Thee, through endless times  
confessed,  

Thou in Thy sevenfold gifts are known;  
Thou, finger of God’s hand we own;  

of both the eternal Spirit blest.  
Now to the Father and the Son,  
Thou, promise of the Father, Thou  
Who dost the tongue with power imbue.  

Who rose from death, be glory given,  
with Thou, O Holy Comforter,  

Kindle our sense from above,  
and make our hearts o’erflow with love;  

henceforth by all in earth and heaven.  
with patience firm and virtue high  

the weakness of our flesh supply.  

Amen.

A Prayer to the Holy Spirit

Breathe in me, O Holy Spirit, that my thoughts may all be holy.

Act in me, O Holy Spirit, that my work, too, may be holy.

Draw my heart, O Holy Spirit, that I love but what is holy.

Strengthen me, O Holy Spirit, To defend all that is holy.

Guard me, then, O Holy Spirit, that I always may be holy.

Amen

TO ALL VOLUNTEERS IN HOLY SPIRIT PARISH WHO HAVE CONTACT WITH CHILDREN:

Every adult connected with a parish, school, or institution in the Archdiocese must attend a VIRTUS forum designed to prevent the abuse of children. The Virtus program has been selected by the Archdiocese of Kansas in Kansas and meets the guidelines for safe environments as required by the United States Conference of Catholic Bishops. Archbishop Naumann has asked for the cooperation of all in this important process.

The safe environment guidelines require that we have general information available on every employee and volunteer. They also require that each employee and volunteer be trained on how to create a safe environment within the parish, school, and the whole community. There are sessions organized throughout the Archdiocese at various parishes. This is a requirement for all who have ANY contact with the children of our parish. This includes those who might be with the children every day, once a week, and even those who might go on a field trip once during a school year. Anyone may attend a session at any parish; however, please register as a Holy Spirit parishioner. All possible sessions are listed on the VIRTUS web site.

Each participant is asked to register on-line for a VIRTUS training session. In order to do so, please follow the steps below to be sure that your file is complete.

Go to http://www.virtusonline.org and click on the registration link. Select Kansas City Archdiocese. Next you will be asked to create your own user name and password. You will then be prompted to enter the necessary information.

Participants are required to fill out the paperwork on-line. This includes documentation for a background check, the Child Protection Policy, the Code of Ethical Standards, and a Harassment Policy. Items required on the paperwork include your SS#, References, Previous Employment information, and Driver License Number.

Be sure to select one of the sessions that work for you and mark the date down on your calendar.

After the training session, if you have contact with the children on a continual basis or you are one who has the potential to be left alone with a child at any time (i.e. Coach, cafeteria staff, religious education teacher/aide, etc.), then you will receive monthly on-line updates where it is necessary to read and answer the question at the end of the short article. This is a necessary and required part of the VIRTUS training. Those who work intermittently with the children and never have the possibility of being left alone with the children DO need to complete the initial training, but are not required to complete and will not receive the on-line updates. If your status changes after initial registration, please contact the VIRTUS coordinator.

Please remember that ANYONE of the age of 16 or older needs to complete these requirements if planning to help the youth of Holy Spirit Parish at any time and in any capacity.

If you have any questions or trouble registering, please contact our parish Virtus Coordinator, Eileen Colling, at ecolling@hscatholic.org or call her at 492.2582 ext. 129. Thank you for your cooperation in this effort to make our parish community a safe haven for all children.

Sincerely,

Fr. Ric Ms. Eileen Colling
Pastor Parish Virtus Coordinator

Please Note: It is very important that anyone who plans to work with the children of Holy Spirit Catholic Parish are VIRTUS trained, paperwork is turned in, and computer articles for on-line training are up-to-date. “In response to the United States Catholic Conference of Bishops’ Charter to Protect Children, the Archdiocese of Kansas City in Kansas requires that all adults, both employees and volunteers who work with and around must undergo VIRTUS, Protecting God’s Children, Awareness Training. This includes all coaches, assistant coaches, and any coaching volunteers at any CYO practice, game or sponsored event. Any game played whose team has any coaches not VIRTUS trained will cause that team to be disqualified from further participation until such time when these requirements are met.”

## MARRIAGE MINUTE

Do you ever get frustrated with your spouse for doing that one small, annoying thing over and over even though you have made it clear that it bothers you? Have you ever been frustrated with yourself for having to apologize for the same thing?

Weaker is hard to accept... both in ourselves and our spouse. This weekend’s readings tell us that when we are weak, we are strong. Why?

- Every act of forgiveness is a recommitment to love that makes us stronger.
- Our own weakness makes us humble, relying on God’s grace.
- Accepting our spouse’s weakness helps us to be patient with ourselves (and vice versa!).

Stuck thinking about your spouse’s faults? Try massive amounts of compliments and affirmation! They don’t erase weakness, but change your focus.
