Dear Friends,

After I sent this morning's spiritual song, I was following my daily routine of listening to Pandora while getting dressed. They played a random song that I loved and quick went to see the title, etc. Then onto YouTube to get it.

It's by a modern Christian group called Selah (don't know if that's the woman's name or the group. Sorry). Though the style of music may not be to everyone's taste, the words are beautiful on this YouTube version. I hope you can gain added strength and blessing from this:
