Dear Friends,

Today we celebrate “Good Shepherd Sunday” and pray in a special way with the whole Church throughout the world for an increase in religious vocations: religious men and women, deacons, priests, and lay ecclesial ministers. Let us pray to Jesus, the Good Shepherd, to continue to provide good leaders in the Church to help us “To know Christ better, and to make Him better known.”

In these days of continued sheltering, may we experience the goodness and the love of Jesus for each one of us. Perhaps spending time each day in prayer, asking the Lord to bless all the men and women who minister in the Church and have dedicated their lives to service the People of God. And pray also that each of us may be an example of the presence of Jesus within us as we care for one another and share the hope and joy that is given to each of us in this Easter season.

May the grace and peace of God our Father and the Lord Jesus Christ be with you all!

Father Fred

A message from our St. Vincent de Paul Pantry

The St. Vincent de Paul food pantry would like to thank the parish, school and community for their support during these challenging times. Most of our volunteers are older and have been unable to work at the pantry, so several parishioners, school families and community members have stepped up to fill in. The pantry has also received many donations of food, toiletries, money, masks and gloves. Our neighbors in need have been very appreciative of all they are receiving at the pantry. Many of them live in their cars or on the street, so even finding water to drink has been a challenge.

Thanks again for all you do!
