

*Fr. Fred Liccio*

Dear Friends,

Sunday during our "Drive-thru" Communion time, one of the members of our parish mentioned she was grateful for my daily Mass on the website, but she said "You need to smile more. Sometimes I think you're depressed."

Guess what!!!!!!

These days we all have our good days and bad days. I'm no different. Sometimes I struggle with the "shelter" and the lack of being able to be together, whether to pray or to party. I really miss it, and some days even more than others. That's why I look to the Christian songs and hymns on YouTube, so encourage you and to encourage me!

I came across *Perfect Peace* by Laura Story, another song I've never heard before **but need to**. I believe she is singing the words of the Lord to each of us, and we need to hear them deep in our hearts. So I share this song with you.

God bless and have a blessed day.

Father Fred

**Perfect Peace**
