Dear Friends,

As you may have heard Jethro announce at the end of this weekend's Mass, Registration for this year's Faith Formation and Youth Ministry opens on Aug. 15 and we need people who are willing to help (virtually) and share their faith with our young people.

Adults: we need help with facilitating groups and watching over our youth.

Teens: we now have a new Teen Leadership Team that will help plan events, and help lead small groups.

Signing up is not "binding" and there will be informational meetings in the weeks to come to help prepare everyone.

Thanks to everyone who is willing to help!
