

Fr. Fred Liccio

Dear Friends,

We continue to deal with so much in our lives, especially during this difficult pandemic days and the heat as well.

We cannot endure it alone. We need to turn to our loving and merciful God to help us get through, to give us the strength and courage we need to trust that the Lord is our Savior and will never leave us.

I found the following song from the group *Casting Crowns*. It touched me and I hope you have a similar experience.

May the goodness of the Lord Jesus be with you!
