

Fr. Fred Liccio

Dear Friends,

I continue to be amazed at the beautiful, prayerful songs and hymns that are available online, and I continue to discover new artists and new songs I've never experienced before.

I share with you one of the latest I've found, published by Oregon Catholic Press (the publishers of our "missalette song books") and sung by Julie Hoy.

May it bring you a sense of the Holy Spirit in your life, and may the grace of the Spirit bring us closer to Jesus.

Have a wonderful, grace-filled day!
