Parish Mission Statement

We, All Saints Parish, are drawn together by the power of the Holy Spirit to be a living and convincing sign of God's unconditional love. We are gifted to build bonds among ourselves and others in order to live the Gospel in word, worship, community and service for the salvation of all and the building of God's kingdom.

Existing from all eternity, God is. He is Father, Son, and Holy Spirit, one God, three Persons, equal in power, equal in majesty. From all eternity, God the Father and God the Son gaze in love upon each other and that look of love and knowledge is so great, so intense, so mutual, so reciprocal, that also from all eternity the bond of love and knowledge that is the Holy Spirit is also present. This divine circle of love and knowledge is so great that it spills out and, from that intense love, all of reality is created. We are called to a life of communion with the Most Blessed Trinity. We desire that companionship with each other and we find it in the Church. Far from an abstraction, the doctrine of the Most Blessed Trinity is actually one of the most practical in all of our faith. Even if we have the basic necessities of life, we still need communion — both with God, who is a Communion of love in Himself, and with each other. The Church, the Mystical Body of Christ, is the place where we can find that communion, both with God and with each other.
