Leave your legacy at St. Thomas More with a Personalized Brick

Purchase an engraved brick to commemorate St. Thomas More Parish, its parishioners and school families. The engraved bricks will be inserted in front of the gym, the walkways leading to the Art & Music building, and in the fellowship courtyard between the church and the parish center. You choose the wording to be engraved, and your personalized brick will become a permanent part of the St. Thomas More campus.

A personalized brick is only $150 and makes a wonderful, unique gift and a lasting legacy! Net proceeds from the brick sales will be used toward the Church Projects Fund.
