

“From Darkness to Light”

Project Rachel Workshop

The Diocese of Providence will host a Project Rachel workshop for post-abortive women. Project Rachel is a national outreach program to aid women who have suffered the physical, spiritual and emotional trauma of abortion.

A variety of topics will be presented pertaining to post-abortive grief and healing. The day will begin with Mass and end with a discussion on the presentations and the opportunity to ask a priest spiritual questions. There is no cost for the workshop but we ask that interested participants register in advance. All calls will be confidential.

Date: Saturday, June 10

Time: 8:30am-4:30pm

Place: **The Peace Barn** at the Franciscan Missionaries of Mary, North Providence
