

**The Church of Saint Sebastian – Providence, RI**  
**Job Opportunity: Cantor**

The Church of Saint Sebastian is in immediate need of a cantor. The successful candidate will have or be pursuing a degree in vocal performance or equivalent experience. Excellent sight reading skills and a keen musical sense are a sine qua non.

At Saint Sebastian, the cantor is considered one of the primary ministers of the Liturgy. There are three weekend Masses (one on Saturday evening, and two on Sunday @ 9 & 11). The Parish Cantor has the right of first refusal for all weddings and funerals, which are additional income. The cantor would also serve as the section leader of their particular voice part when a choir or schola is formed for the cardinal celebrations of the Church Year.

The Church of Saint Sebastian holds the Liturgy as the first and highest priority. We strive to "sing the Mass", and not "sing at the Mass." The repertoire ranges from chant to the finest music of today.

## **About the Employer**
