

2017-2018 OLQM Commitment Form: How can I help?

As a Catholic we are truly blessed because we are given the opportunity to gather around the table of the Eucharist and experience the great depth of love that our Father has for each one of us. He gave us his only son, Jesus Christ who brings us to the fullness of life and shows us God's way of living. The more we come to know and DISCOVER who Christ is, the more we recognize and DISCOVER all that we are, all that we have, and all that we will become is a gift from God. As we GROW in our faith our response to his generosity is to SHARE and generously give to others. We are all called to SERVE God's people.
