THE MOST HOLY BODY AND BLOOD OF CHRIST

Then taking the five loaves and the two fish, and looking up to heaven, he said the blessing over them, broke them, and gave them to the disciples to set before the crowd. - Lk 9:16

FROM THE PASTOR.....

In Lanciano, Italy, in the 8th Century, there was a priest who was having doubts about Jesus' real presence in the Eucharist. One day, he was celebrating Mass, and after he had spoken the words of the Consecration, the Host was changed into live Flesh retaining the exact same dimensions as the Host, and the wine was changed into live Blood, which coagulated in the chalice, forming five globules, irregular in shape and size. (The number is significant, because that is the number of wounds that Christ endured while he was on the cross: two in his hands, two in his feet, and the one to his side.) The flesh and blood can still be observed today, and have not deteriorated or decayed, despite the fact that they have not been preserved by "scientific" means.

In the 1970's and 80's, an extensive analysis was done on the relics from the Lanciano miracle. Here are the results: the Flesh is real Flesh. The Blood is real Blood.

- The Flesh and the Blood belong to the human species.
- The Flesh consists of the muscular tissue of the heart.
- In the Flesh we see present in section: the myocardium, the endocardium, the vagus nerve and also the left ventricle of the heart for the large thickness of the myocardium.
- The Flesh is a "HEART" complete in its essential structure.
- The Flesh and the Blood have the same blood-type: AB (Blood-type identical to that which Prof. Baima Bollone uncovered in the Holy Shroud of Turin).
- In the Blood there were found proteins in the same normal proportions (percentage-wise) as are found in the sero-proteic make-up of the fresh normal blood.
- In the Blood there were also found these minerals: chlorides, phosphorus, magnesium, potassium, sodium and calcium.

The preservation of the Flesh and of the Blood, which were left in their natural state for twelve centuries and exposed to the action of atmospheric and biological agents, remains an extraordinary phenomenon.

Science cannot explain what we hold as true: That Jesus Christ, the Son of the Living God, is alive, and is truly present in the Holy Sacrament of the Altar. Through his priests, he gives us His Body and Blood, so that we may come to know Eternal life through Him. And so, on this Feast of Corpus Christi, let us pray that the faithful around the world may seek to come to a deeper understanding of this great mystery of the Eucharist, and may come to exhibit a greater sense of reverence, awe, and wonder as they receive this most Holy and Blessed Sacrament. And may the Most Holy Body and Blood of our Lord, Jesus Christ, bring Eternal Life to all who receive it faithfully. Amen.

DAILY CATHOLIC WISDOM

Fulton Sheen understood that love does not work like material things—that is, if I have only ten dollars, and I give it to one person, I can't give it to anyone else. Love is not subject to this restriction. When we love, it does not prevent us from loving anyone else to the same or even to a greater degree. —Fr. Robert Spitzer, S.J.

**EUCCHARISTIC
ADORATION**

Monday - Friday we have Eucharistic Adoration from 12:00 - 1:00pm. Please consider coming and spending an hour with Jesus. You will be truly blessed!

PLEASE NOTE: There will be NO adoration while students are on break until they return in August.

PLEASE NOTE: THERE WILL BE NO 5:00 PM SUNDAY MASS UNTIL THE STUDENTS RETURN IN AUGUST.

2ND COLLECTION-PETER'S PENCE

There will be a second collection taken up on June 29/30th for Peter's Pence. This collection enables the Holy Father to respond with emergency financial assistance, to requests to aid the most needy throughout the world—those who suffer as a result of war, oppression, and natural disasters. It likewise provides the faithful with a tangible opportunity to not only empower the weak, defenseless, and voiceless, but also sustain those who suffer. Please be generous!

ST. VINCENT DE PAUL SOCIETY

On behalf of the St. Vincent de Paul conference of St. Charles Borromeo and Aquinas Newman Center, I would like to extend a heartfelt thank you for your most generous donations. From January 1, 2019 to May 31, 2019 your donations, along with twinning donations from Risen Savior and Prince of Peace, amounted to \$12, 705.37. We, as a conference of 16 members, were blessed with the opportunity to visit and serve 88 people by making 40 home visits. With your loving donations, \$13, 568.60 of assistance was provided to our neighbors through rent, utilities, furniture, clothing and food.

Thank you again for your generosity and support. You make a very big difference in this community!

Many Blessings,
Sharon Lessly, SVdp Conference President
