FROM THE PASTOR.....

I first of all would like to thank the many of you who were so kind and generous to me for my birthday this past weekend. It is a real pleasure and honor to be able to serve you all, a group of some very extraordinary people. As we are off to a great start for our fall semester please keep in your prayers the finishing up of the main kitchen project. We hope to have our kitchen back up and running in the next few weeks. Our next project will be to make our main bathrooms a little less scary. Ok, a lot less scary! Now obviously when it comes to bathrooms and the remodeling of them, there will have to be some minor inconveniences along the way until those are all set, but we will make do. I am also consulting with some of our parishioners about how to be more prudent in managing our landscaping. We are still spending quite a lot of money on water and I think that we could be more efficient in both our water conservation but also in maintaining a good appearance for our building. So I'm not looking at any major changes, but just a few adjustments so that we can make the most of your hard-earned contributions that you give for us to run our parish. But again, thank you all for your generosity and for your commitment to our parish. The Holy Spirit is really moving among us and these are some exciting times for us here at the Aquinas Newman Center.
