## THE MOST HOLY TRINITY

Then Jesus approached and said to them, "All power in heaven and on earth has been given to me. Go, therefore, and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit." - Mt 28:18-19

## A MESSAGE FROM FR. DEPALMA

Once there was a popular debate on the existence of God between a priest and an avowed atheist. The first to speak, the priest expounded with simplicity the classic proofs for God's existence. When he had finished, the atheist mounted the platform and disagreed, "If God exists, let Him kill me within five minutes." After that time elapsed, he was able to say, "God does not exist because He did not kill me." A roar of applause hailed the proof of the unbeliever as he ridiculed the priest's arguments. The priest resuming the debate, requested a loaded gun, placed it in the hands of his opponent and asked him to kill him within five minutes. The distraught atheist didn't shoot. "This man beside me does not exist because he did not fire," cried the priest to the public, livid with emotion. The many good deeds performed by that priest prevented the atheist from firing, and the priest said: "You have spared my life when I asked you to kill me, the same as God has spared yours when you dared Him to deprive you of your life." The priest's argument made it very clear that not only does God exist, but He is a God who loves us and cares for us. Today's feast of the Most Holy Trinity does not have to be completely filled with mystery. Sure, there is plenty of mystery involved for we will never fully know or comprehend the extent of Three Persons in one God, but though we can be in awe of our mighty God, the one thing that we have to always keep firmly in mind is that He is, as our Lord Jesus revealed to us, Love Itself. And if you are ever feeling alone or beat up or in a bit of doubt and despair, tap into that infinite Love by invoking the Sign of the Cross, the great means of bringing us into the presence of the Father, Son and Holy Spirit. That is one of the great things about our Catholic faith, how even something as simple as making the Sign of the Cross, can bring about so much grace, power, and of course love.
