

Parishioner Verification Form

2020-2021

ST. MARY CHURCH

419 Doucet Road, Lafayette, Louisiana 70503

Please Read Carefully:

- To qualify for early admission status into St. Mary Early Learning Center our parish records should indicate that applicants have joined our parish at least six months ago, though exceptions will be considered.
- If you are St. Mary Parishioners planning to send your child(ren) to the St. Mary Early Learning Center in the hopes of qualifying for early admission status you should complete the form below. Your contribution status will be verified and if you volunteer your time for any church or school related events, please list below along with a contact person's name and number for us to verify your commitment. If you would like to make an appointment with Father Sonnier, he will be happy to meet with you, however it is not necessary to gain parishioner status.
- Forms unsigned by the pastor will not be accepted when registering your child nor will your family receive St. Mary Parishioners' status. Status will be granted for consistent financial contribution or proof of time and treasure toward a volunteering role at St. Mary Church or School. Parishioners will not be required to pay the Out of Parish/Capital Improvement Fee if parishioner status is granted.
