

A Letter from Deysi
Second Year High School Student

Hello,

I just want to thank you for all of the help you have given, it benefits us a lot.

I would like to tell you a bit about my experience in the scholarship program. When I began, I was very quiet and I didn't have much trust, but with working on various projects I am becoming better. It has helped me to develop as I teach the youth and lead in the workshops doing crafts and lessons.

I hope that this you find you doing well and I send greetings to everyone in the church.

*God Bless
Deysi*
