

### PLAN COMPARISON:

**Which ACED plan should you choose\*?** Please take time to consider how much time your child(ren) will need to spend with the ACED Program. Your choices include:

- **Part-Time Flexible Plan**, based on actual attendance at the rate of \$5/hour (rounded up to the next quarter-hour). This can be used as a drop-in plan, without advance notice.
- **Full-Time Plan**, at \$250 per month. Half Days are included, but Full Days are charged at the part-time rate. Additional siblings receive a 20% discount on the monthly fee.
- **Full-Time PLUS Plan**, at \$280 per month. This rate is all-inclusive. Additional siblings receive a 20% discount on the monthly fee.

### The ACED program is available as follows:

- **Regular School Days** – 6:30 a.m. – 7:30 a.m., and 3:15 p.m. – 6:00 p.m. *This is a total of 3.75 hours on ACED Regular Days.*
- **Most Noon Dismissal Days** – 6:30 a.m. – 7:30 a.m., and Noon – 6:00 p.m. *This is a total of 7 hours on ACED Half Days.*
- **Most NO SCHOOL DAYS, except extended breaks** – 6:30 a.m. – 6:00 p.m. *This is a total of 11.5 hours on ACED Full Days.*

### COST COMPARISON:

**PART TIME PLAN (\$5 per hour, per child):** If you have one child registered, who will spend less than 12.5 hours per week (or about 2.5 hours every day) in ACED care, this plan may be your best choice. Also consider whether your child will need afternoon care on Noon Dismissal Days (ACED Half Days). Students may attend Half Days at the same hourly rate, capped at \$25 for the day; and Full Days at the same hourly rate, capped at \$50 for the day.

**FULL TIME PLAN (\$250/month 1<sup>st</sup> child, \$200/month siblings):** If you have more than one child; and/or you will need more than 12.5 hours per week, per child; and/or you will need Half Day care on Noon Dismissal Days, you should consider this plan. *If you will also need Full Day care on No School Days, please see the Full Time PLUS Plan, below.*

The Full Time Plan is the equivalent of about 50 hours of care per month for one child, (or about 2.5 hours per day, five days per week), at the part-time rate of \$5/hour, and is an additional savings for siblings. The plan also includes ACED Half Days at no additional charge. *Any Full Days attended would be charged at the Part Time Rate, in addition to the monthly rate.*

**FULL TIME PLUS PLAN (\$280/month 1<sup>st</sup> child, \$224/month siblings):** If the Full Time Plan, above, makes sense for your needs, but you will also need care on ACED Full Days (No School Days), you should consider this plan.

The Full Time PLUS Plan is the equivalent of about 56 hours of care per month for one child, (or about 2.8 hours per day, five days per week), at the part-time rate of \$5/hour, and is an additional savings for siblings. **Note that this plan is all-inclusive. No additional hourly charges would be incurred for Half or Full days, which is an additional savings.**
